GC Man Sought for Slaying Cab Driver

**Murder Charge Filed
Today; Shooting Near
W. Pontoon Yesterday**

Wilfred C. Bennett, 28, of 2800 Idaho avenue, Granite City, employed by a St. Louis taxicab firm, was charged today with the murder of Frank Lafata, 34, a former St. Louis taxicab driver, slaying more than 24 hours of intensive police work by Madison County Sheriff Barney Fraundorf and his chief investigator, Louis Bowman.

Lafata's body was found shortly before 7 a.m. Wednesday in a field off West Pontoon road, three-tenths of a mile west of Highway Three north of the A. O. Smith plant by three employees of the plant who were enroute to work. The body contained five bullet holes, including one in the head. Four of the 38-caliber bullets were removed by a pathologist during an autopsy at the Puffer funeral home.

Bennett has yet to be taken into custody. St. Louis police visited the firm which employed him, but he apparently has fled. Bowman said. The shooting occurred where the body was found, Bowman said.

Henry Pieper, deputy coroner, said Lafata was dead for about six hours before he was found. Pieper is to conduct an inquest.

Identified by Brother. The body carried no identification papers, but a laundry mark, a key to a St. Louis hotel room and a small book of telephone numbers led to tentative identification. The victim was identified by Sam Lafata of Florissant, Mo., a brother of the victim, who came to the funeral home here. Bowman described Lafata as a well-known cab driver and a friendly character in the St. Louis area. His home was at Hillside, Mo. It was learned he had quit his job with a St. Louis county cab company and had planned to leave for Phoenix, Ariz.

Fraundorf and Bowman investigated the background and known associates of the victim and a suspect was named. During the later evening hours Wednesday, the sheriff received information that Bennett and Lafata had been together and that Bennett was a likely suspect in the shooting.

Motive Unknown
A motive has yet to be established. Bowman said. Robbery was eliminated, as he carried a watch and four \$1 bills. Oral and written statements received from Fraundorf and Bowman from a witness linking Bennett to the shooting. Bowman said, and a continuing investigation developed other witnesses who placed Bennett in the company of Lafata prior to the crime.

Bowman said the murder case was located early today and contained what appeared to be bullet holes and blood stains.

Brass Valued at \$1310 Stolen; 5 Other Thefts

Two and a half tons of brass railroad journals valued at \$1310 were stolen from the Hyman Michaels Iron & Metal Co. in Venice Monday night or early Tuesday morning by thieves who apparently used a heavy truck to haul away their loot. Earl Snyder, crane-man at the Michaels yards, said the theft occurred between closing time at 6 p.m. Monday and opening of the yards at 7 a.m. Tuesday. Venice police found tire tracks in the plant yard and a hole under the fence where the brass pieces of brass apparently were passed one by one to load the truck. The plant gate was locked and had not been broken open.

Venice police said Snyder reported that 200 pieces of brass railroad journals, each weighing 21 pounds, were taken, for a total weight of 5400 pounds. Market value of the brass is \$1310 per pound. Police said additional pieces of metal had been pulled from storage, indicating the thieves may have been scared away before completing their looting.

Tools, Clothing Stolen
The theft of \$200 worth of tools and clothing from a tractor-trailer driver, reported by a man at Second and State streets in Madison was reported to Madison police at 2:45 a.m. Monday by Floyd Ramsdell, Ashland, Ky. Ramsdell said the truck is owned by the Ace Dr. van Trucking Co. of Cincinnati, Ohio, and that he parked the trailer on the street for more than an hour, and when he returned a vent window was broken.

He said a tool box containing tools valued at \$125, a suit case containing clothes and uniforms worth \$25, a case containing important papers, four warts of oil and a harmonica were taken. Charles Brock, Mobely, Mo., also reported early Wednesday that his truck was ransacked, but nothing apparently was taken. He took a book of blank checks.

Stolen Car Found
Robert Lee Molohon, 2702 Deporter street, reported at 5:30 a.m. Tuesday that his 1953 Buick was stolen during the night from his home at 2800 Idaho avenue, in the 2800 block of West Pontoon street by Granite City police.

Two teenagers were caught by St. Charles county, Mo., authorities Tuesday afternoon in a black 1955 auto which was reported stolen from Bobby J. Jell, 1714 Poplar street, Monday night. The youths who remained unidentified, were referred to the Illinois parole office as one and a half record.

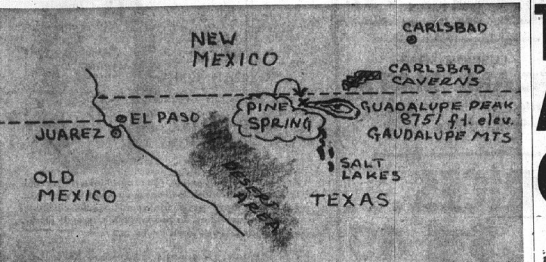

Glen Johnson, 2208 Cardinal avenue, reported to police Tuesday that a wallet with \$2 was stolen from his football dressing room locker at Granite City high school.

Break-In Attempt at Store
William Johnson of Johnson's Music store, 1200 Edison avenue, reported at 10:10 a.m. Wednesday that an attempt was made to gain entry into the store by breaking a window on the east side of the building and reaching for the latch. No entry was made.

William Frede, 2518 Iowa street, reported at 11:30 a.m. Wednesday that a right hand would-be intruder tried to gain entry into his home by reaching a window at the west side of the house on the west side of the house.

Safety hoods on a window at the home of Herman Bartels, 2632 Benton street, apparently prevented a burglary Monday night. Bartels reported at 2:35 p.m. Tuesday that a hole was punched in the rear screen which was broken and inside window was raised eight inches. The hoods prevented it from being raised any higher.

SCATTERED WRECKAGE of a light plane and the bodies of its three passengers, two of them Granite City men, were found on a mountainside of the Guadalupe range of northern Texas Wednesday afternoon by Civil Air Patrol searchers. The plane, seen by the X on the above map, is approximately 100 miles east of El Paso and 10 miles south of the New Mexico border. The victims were found three miles northeast of Pine Spring. The plane crashed at an altitude of 6500 feet and burned.

GC School Bonds Sold At 3.08% Interest

**Spirited Competition;
Open Classroom Bids,
Adopt Budget, Tax Levy**

Granite City schools' \$2,390,000 bond issue was sold last night to the Northern Trust Co. of New York City and its associates on a low bid of \$570,348 or 3.08296% interest. The May 23 bond election ballot listed a 4.3% interest maximum.

In other developments, bids ranging from \$79,866 to \$89,930 were received last night on a four-classroom addition to the Nierdinghous grade school, exceeding advance estimates, and the school board Monday night adopted without further alteration a \$7,137,925 budget and \$4,300,242 tax levy.

With nine financial groups competing in spirited bidding, the bond proposals were described as highly satisfactory by school officials and local bankers in the audience of 15. Unsuccessful bidders were Continental Illinois National Bank & Trust Co., Chicago, \$572,581; First National Bank of St. Louis, \$575,482; Goldman Sachs & Co., Chicago, \$575,535; John Nuveen & Co., Chicago, \$576,210; Mercantile Trust Co., St. Louis, \$579,261; Harriman, Ripley & Co., New York, \$587,122; Halsey, Stuart & Co., Chicago, \$593,933; and Blythe & Co., Chicago and New York, \$599,940.

Bond issue specifications had been inspected by 202 banks and bond houses—71 from New York, 66 from Chicago, 22 from St. Louis, seven from Cincinnati, 5 from Boston, Mass., three from Cleveland, O., two each from Detroit, Mich., Philadelphia, Pa., Nashville, Tenn., San Francisco, Calif., Kansas City, Mo., and New Orleans, La., and one each from Peoria and Bloomington, Ill., Baltimore, Md., Columbus and Toledo, O., Portland, Me., Tampa, Fla., Hartford, Conn., Wilmington, Del., Milwaukee, Wis., and Minneapolis, Minn.

Base bids on the Nierdinghous school addition were \$79,866 from Ed Moore, who was formerly associated with M. H. Wolfe & Co., \$82,500 from Leo Wolf, \$85,248 from Henry Ross, and \$89,930 from J. H. B. B. B.

Auto Hits Motorbike: Area Traffic Injures 9 Persons

Traffic accidents have injured nine persons so far this week. The number of crashes has reached 17.

Robert Anderson, 29, of 4035 Breckenridge lane, was admitted to St. Elizabeth Hospital with multiple cuts over the entire body after his motorbike was struck in the rear by a car driven by Gary Andrews, 17, of 3306 Washburn avenue, at 10 p.m. Tuesday at Namek road and Morrison avenue north of Granite City. Anderson was attempting to make a left turn onto Morrison.

State police said Andrews also was injured. Anderson is in fair condition today.

Two Passengers Injured
Passengers of two autos were injured in a collision of cars driven by Arthur D. Starnes, 30, of 2801 West 22nd street, and Mary Ann Gafford, 1729 Olive street, at 2:30 p.m. Monday at 20th street and Grand avenue. Admitted to St. Elizabeth Hospital was John Schuven, 10, of 2804 Cayuga street, a passenger in the Gafford auto, who hit his head and was unconscious on arrival. He also had scratches on the face. Linda Starnes, four, in the other car, had visible injuries.

Starnes was headed west on 20th street and was in the intersection when the other car, going north on Grand avenue, was facing a major stop sign. The three men failed to return home as they had planned. All three men were injured pilots.

Sturdy Hurt, Arrested
Melburn J. Rhodes, 28, of 155 Lee Wright homes, Venice, received minor injuries and was arrested on two traffic charges at 6:35 a.m. Wednesday after he lost control of his auto and crashed into two parked cars at 327 Weaver street in Venice.

Rhodes, who suffered a cut under the chin but did not require hospital treatment, was charged with careless driving, obstructing traffic, and reckless driving. Rhodes told police he was going north when he fell asleep. His car struck the street to hit parked cars owned by Ulrich W. Davis, of 227 Weaver street, and Leroy Bookner, of 330 Weaver street.

Rhodes posted his driver's license and a \$250 property bond for a hearing Oct. 5.

Hurt in St. Louis
Mrs. Shirley Adams, Granite City, suffered fractures to her left leg when the auto she was driven by Carl Brandhorst, St. Louis, at 10 p.m. yesterday. Mrs. Adams said she had just left McKinley Bridge, driving into St. Louis, when Brandhorst's car hit her vehicle, knocking it into a viaduct railing. He was charged with failing to yield the right-of-way. Mrs. Adams declined hospital treatment.

Ronald E. Dillon, 20, of Belleville, complained of pains after his automobile and an Illinois Ford coupe, owned by Donald Thompson, 49, of 1919 Edwards road, collided at 8:40 a.m. Tuesday at 27th and State streets. The left and right side of the car, headed north on State, and the front of the truck, going east on 27th, were damaged.

Mrs. Virginia Bryan, 46, of 3604 Ruth drive, was admitted to St. Elizabeth Hospital at 5:40 p.m. Monday with pains to the right leg and arm after a car accident. Her husband, Sylvester Bryan, 56, was treated for fractures of the right arm and leg. The report of the accident was available from Quad-City county or state police.

The blue ballot will call for yes or no votes on two proposed amendments to the state constitution to permit annual sessions of the state legislature and for continuity of governmental operations in periods of emergency, such as a nuclear attack. A green ballot is to be used for the circuit judge election for a year or no vote on retention of the incumbents; while pink has been designated for the county proposal for a 10-cent general fund tax rate, up 44 cents.

A tax ballot will call for yes or no vote on a special tax for the county maps and plats department.

2 Bids Submitted for Sewage Plant; Lowest \$1,268,432

A low bid of \$1,268,432 was one of only two proposals for construction of Granite City's sewage treatment plant received by city officials Tuesday afternoon in bid opening session attended by 20 construction firm representatives and engineers in the city hall council room.

The apparent low bid was submitted by the Nelson Construction Co., St. Louis, and the other was received from the S. M. Wilson & Co. of Granite City, in the amount of \$1,280,270. The Wilson company specified 42 construction companies completing construction, the Nelson 11, 450.

Officials expressed surprise that only two bids were submitted since 11 firms had been applied to the office of Sheppard, Morgan and Schwab, project engineers, for plans and specifications, an indication that they intended to submit construction offers.

The bids will be presented to the council for action.

**Colors Galore
For Six Ballots
In Nov. 3 Vote**

A bright, dazzling Nov. 3 election will be in store for Quad-City voters who find a wide assortment of colors as well as sizes for the ballot. They will receive upon entering their polling place.

The colors will range from the regular white to orange and will include blue, green, pink and tan, it was announced this week by Miss Eulalia Hotz, county clerk.

The white ballot will list candidates for president, vice-president, governor and other state offices as well as district and county offices.

Orange is being used for the at-large state representative ballot, which will be mailed to a yard long. It will list 118 Democratic and 118 Republican candidates.

A tax ballot will call for yes or no vote on a special tax for the county maps and plats department.

Two GC Men Killed As Plane Crashes On Texas Mountainside

**Killed in Plane Crash Wreckage of Burned Plane, 3 Victims Found
In Guadalupe Range; Alton Owner of Plane
With Dr. Scharf and F. A. Meyer, Teacher**

Three men, two of them from Granite City, were found dead Wednesday afternoon in the burned and scattered wreckage of a light plane in the rugged ranges of the Guadalupe Mountains of northern Texas.

The victims and the wreckage were located by searching Civil Air Patrol planes at a point just a few miles northeast of Pine Spring, Tex., almost midway between Carlsbad, N.M., and El Paso, Texas. It is believed the crash occurred Saturday.

**Dr. Halpern F. Scharf, 55,
of 2804 Amos avenue, optometrist with offices at
2328 Nankook road.**

Frank A. Meyer, 35, of 2801 St. Clair avenue, band instructor for St. Elizabeth's elementary school.

Benjamin E. Meyer, 35, Alton, operator of a radio and television repair shop in Alton.

The plane crashed into a mountainside at an altitude of about 6500 feet. Highway patrolmen and Civil Air Patrol members who reached the site by foot after locating the wreckage by air, reported all three victims apparently were killed on impact. The plane was believed to have struck the mountain at high speed.

Search for the craft was begun by CAP planes operating out of El Paso Tuesday after three men failed to return home as they had planned. All three men were injured pilots.

Stormy Weather
Stormy weather had covered much of the route the three flyers were to have taken on a weekend vacation trip to Phoenix, Ariz. The trip was planned by the three men.

They took off from the Civic Memorial Airport at Alton at 5 p.m. Friday. They told their families they expected to return Sunday night.

The plane in which they were flying was a Cessna 180, a four-place cabin monoplane with a single engine, owned jointly by Rudy and Jerry Weidner, Bunker Hill, pilot and flying instructor. Until a little more than a year ago Dr. Scharf owned a half interest in the plane with Weidner, but sold his interest on that date, Rich said. The books then will be balanced and returned to the office of the county treasurer in Edwardsville.

As of today, Rich reported, the treasurer's office in the city had had collected \$2,185,526 in real estate taxes and \$577,560 in personal taxes, a total of \$2,763,086. A total of \$6,018,576 was charged for collection.

**Industrial Development
Procedures Discussed**
Value of acrewide cooperation was discussed at a meeting of Quad-City residents on industrial development, held Tuesday night in Wood River. Attending were Chamber of Commerce President Chester Baker, E. G. Schmitt, Carl Mathias and Fred Grover.

The Tri-Cities Chamber Industrial Development Committee headed by Schmitt will meet next week to discuss development procedures. An Edwardsville-Wood River non-profit industrial development corporation is planned, and there has been no decision on local participation.

MECCA to Ask Cities to Abate Dump Smoke

A move to eliminate smoke and smog that hangs south of the Quad-Cities and frequently covers an area of several miles was initiated Monday night by the Metro East Chamber of Commerce Association in a report of the accident was available from Quad-City county or state police.

Flight Is Traced

Max Howard said the CAP traced the first leg of the flight from Alton Friday morning to Liberty, Kan., where the flyers were forced to land temporarily because of bad weather. Rudy, Scharf and Meyer flew south from there and were reported to have made another stop at Waterloo Pass, N.M., before proceeding on to Carlsbad.

Howard said the trio had planned a northerly route to Phoenix, but apparently decided on taking a southerly route because of continued reports of bad weather along their original flight plan.

In leaving Carlsbad, Rudy and his companions apparently flew southwestward to a point below the New Mexico border, then westward toward the Guadalupe mountain range. Howard explained that while that particular section of the country is a dangerous flying area under normal conditions, it still is a normal routing for southerly flights to El Paso and other points west because there are passes and sections of open country through which light planes can travel without the necessity of attaining high altitude. The area, however, can be particularly dangerous during bad weather, Howard said.

All three of the victims were actively engaged in Civil Air Patrol operations, all holding officer's rank and command posts in both regional and state CAP divisions. Dr. Scharf holds a major's commission and is a member of the staff of Alton, Mo., where he is a member of the Illinois CAP. Mrs. Scharf said he held CAP activities about nine years ago and obtained his pilot's license at the same time.

In November of world war II and the Korean War in which he was wounded, is a lieutenant in Group 13 of CAP with headquarters in Alton. Meyer entered CAP two years ago. For the past year he served as head of the Alton chapter program for the Bunker Hill and Alton squadrons, and recently was appointed to head the cadet program for all of Group 13 which extends from Litchfield south to Granite City.

Rudy, a lieutenant-colonel, is commanding officer of Group 13. Dr. Scharf was a native of St. Louis. He attended schools in St. Louis and in 1944, while still living in St. Louis, became associated as an optometrist in an office at 2328 Nineteenth street. He later bought full interest and operated it until a few years ago.

Dr. Scharf and his wife, Sonia, whom he married in St. Louis in 1931, moved to Granite City in 1934, moving into the house at 2804 Amos avenue. In 1935 he opened a second optical shop at 2328 Nankook road in Alton. After serving in the U.S. Army in the Village Shopping Center and operated both businesses until he closed the downtown location in 1959.

Besides his wife he leaves a son, Max Scharf, and a daughter, Mrs. Thekla Kupper, both of St. Louis. He also is survived by a brother Leonard Scharf of University.

**Increase in Dogbites,
Rabies Shots Reported**

Accelerated efforts to keep youngsters away from dogs made that may be rabid were urged today by Sister Mary Thomas, St. Elizabeth Hospital administrator, who said there has been an increase in dogbite cases in recent weeks.

Those who attended from the Tri-Cities Chamber were Chester L. Baker, president; Fred Gwert, manager; and C. E. Townsend.

Only preliminary discussion was held on a Bi-State proposal for development of a regional coordinating committee. Members generally agreed that the development of policy on the issue should be left to the individual Chambers of Commerce. Those who attended from the Tri-Cities Chamber were Chester L. Baker, president; Fred Gwert, manager; and C. E. Townsend.

SERVING THE COMMUNITY OVER 40 YEARS --- PRESCRIPTION SPECIALISTS

Archbishop John to Bless Madison Church Cornerstone

His Eminence, Archbishop John will bless and lay the cornerstone of the new Madison Church in Madison Sunday, Pontifical Liturgy will be celebrated prior to the cornerstone service at 9:15 a.m.

The girls of the parish will form a procession to escort the Bishop to the church where he will be greeted by the president of the community, George Butchko Jr., with bread and salt.

New Taxes Keep Madison Schools Out of Red So Far

Receipt of an advance tax payment of \$200,000 on Sept. 10 from Venice township Tax Collector Frank Reidelberger prevented the necessity of the Madison school district borrowing money on already authorized tax anticipation warrants.

He added that state distribution funds are to become available soon and in a few weeks a final tax settlement can be made. Supt. Wensel Brown said the welcome money may have only delayed the need to borrow.

Reidelberger also advanced a total of \$50,000 in August when Gene Rotter, Nameoki township collector, provided \$20,000. Brown noted that the district received close cooperation from the collectors, but he again criticized the "horrible" attitude of railroad in continuing to make tax objections.

Schools Commended
A letter from Harry McPhail, regional supervisor for the office of the state superintendent of public instruction, commended Brown and the district for improvements made during the last six months, particularly at Dunbar school, for detailing a statement of school policy.

The policy, proposed earlier, was adopted by the board after three minor revisions requested by the teachers were inserted in the booklet.

A letter also was received from Ray Page, state superintendent, extending full recognition of the school district.

Adult Education Program
Brown reported that the adult education program will be conducted nights from Oct. 10 to April 21, with 73 students to be assigned by the Madison county office of the Illinois Public Aid Commission for first through eighth grade in five classes.

The adult staff hired consists of Wade E. James, supervisor; Richard L. Brown, counselor; and Mrs. Addie Darden, Mrs. Willie Watts, David Byrd Jr., Bernard Long and Norvell Woolfolk, teachers. Dunbar school will be used.

The board hired the teachers, adopted the calendar and granted

permission for purchase of supplies and textbooks, to be paid by IPAC.

Sanitary Code Report
In a fire safety code report on required work to be done on school buildings, Brown said Architect Virgil Dulgoff has all the blueprints and is to make recommendations to comply with the state code. They then will be presented to county and state superintendents for approval, and a three-year work program will be instituted, with attention to be given to two schools each year.

Brown noted another bus run has been added from West Madison to the Tri-City Regional Port District dedication at 3 p.m. Sept. 28 when Gov. Kerner will be principal speaker, and at the Southern Illinois University homecoming celebration Oct. 31 at Carbondale.

The Woman's Progressive & Federated club received permission to use the west end of the Dunbar playground Friday for its annual carnival and bazaar, held to raise funds for a yearly scholarship program.

**Depot Soldier Held
For \$140 in Fines**
Thomas M. Kells, 25, a soldier stationed at the Granite City Army Depot, was in the Venice City Jail Wednesday for non-payment of fines totaling \$140 assessed on six charges growing out of his arrest by Venice police at Main street and Bremen avenue.

Police said they arrested Kells when they saw him speed on Bremen avenue onto Main street and found a large knife in a sheath in the car. Kells became abusive when they stopped him, officers said.

He was charged with careless driving, improper use of a state license, drunkenness, carrying a concealed weapon, disorderly conduct and speeding. Kells, who said his home is in Detroit, Mich., was arraigned before Judge Magistrate Wesley Edwards Monday afternoon and pleaded guilty to the charges. Edwards ordered Kells held until payment of the fines could be arranged.

**Drivers See Green
As Tempers Redden**
If some drivers became short-tempered at other drivers during the rain Tuesday morning at Niedringhaus and Madison avenues, they can't be blamed. At 9:40 a.m. the traffic lights at the intersection went haywire—they showed green for all directions. Despite tempers, however, there were no accidents at one of the busiest intersections in Granite City.

Patrolmen were on the alert and directed traffic until a crew fixed and synchronized the lights. Lights also were reported to be sticking at 9:25 a.m. at 21st street and Grand avenue and at 9:30 a.m. at Niedringhaus and Edison avenues, another busy intersection.

**Gen'l. Steel Gets
\$1,000,000 Order**
The Denver & Rio Grande Western Railroad has placed an order amounting to over \$1,000,000 with General Steel Industries, Inc., for 100 seventy-ton bulkhead flat cars to be used in gypsum and wallboard service.

The 53½-foot long cars will have one-piece cast steel underframes and interlocking posts and will be equipped with end-of-car cushioning. Production will be at GSI's local plant and delivery will be in 1965.

**Chas. Kramer, 71,
Former 6th Ward
Alderman, Dies**
Charles J. Kramer, 71, of 2224 Lincoln avenue, a former Sixth Ward alderman and deputy county clerk, died about 10:30 p.m. Tuesday at St. Elizabeth Hospital. He had entered the hospital Sunday after suffering a stroke.

Mrs. Kramer, a native of Vincennes, Ind., lived here 58 years and served as alderman in the late 1920s and early 1930s. He was a deputy in the county clerk's office in the 1930s.

Before retiring in 1962, Mr. Kramer worked at General Steel Industries for 25 years and was employed as a machine operator.

**Parsons Named to State
Hairdressers Board**
Earl Parsons, president of the Elite Hairdressers Association, was elected to the Illinois State Board of Hairdressers and Cosmetologists during a state convention ending Monday night in Chicago.

He is the first president of the newly-formed local affiliate, which included St. Clair county and was chosen during his term as the most outstanding affiliate in the state.

Long active in local civic organizations, he served at the convention as chairman of doubled competition, a new team hair-styling contest, and as assistant to the vice-president for organization and procedures. On the state board, he will supervise various state activities and have charge of the welfare, conduct and representation of southern Illinois hairdresser associations.

War I Veteran
He was an overseas Army veteran of World War I and was a member of VFW Post 1300, American Legion Post 113, the Legion's Last Man Club, World War I Veterans Barbecue 34 and Sacred Heart Catholic Church.

Survivors include his wife, Georgia; a son, Charles L. Kramer of Florence, S. C.; four daughters, Mrs. Richard (Mary) Taff of Arnold, Mo., Mrs. Herman (Maxine) Miller of New Cumberland, Pa., Mrs. Earl (Georgia) McDonald of Fort Worth, Tex., and Miss Norma Ruth Kramer of Granite City, and 15 grandchildren.

Funeral arrangements are given in today's obituary column.

Driver License Charge
William Henderson, 1911 Edwarsville road, was arrested at 5:15 p.m. Tuesday on a charge of driving without a driver's license. The case was taken under advisement by Magistrate Gasparovic who set a hearing for Sept. 30 and set a \$100 property bond.

**St. Louis Motorist Hits
Parked Car, Arrested**
Otis Morgan, 51, St. Louis, was arrested after two autos were damaged Tuesday at 5:20 p.m. when his car crashed into a parked auto at Market and Weaver streets. Police said Morgan was driving west on Market street and made a left turn, hitting a car owned by William Spencer of 101 Weaver street.

Morgan was charged with careless driving and destruction of property. A hearing is set for Oct. 5.

\$140,000 Two-Year Budget

Tri-City Port Outlines Sept. 28 Dedication

Plans for the Sept. 28 dedication of the Tri-City Port District's bulk-head terminal at the Chain of Rocks canal harbor were outlined during Monday night's meeting of the port board. Gov. Kerner will deliver the main address at the one-hour ceremony to start at 3 p.m.

Gov. Dalton of Missouri also has been invited along with local city officials and civic leaders. The new two-year budget is \$1200 higher than the previous budget. Nearly 52% of it will be used to pay rent to the federal government for the acreage along the canal and harbor. Of the total rent paid, 75 cents of each dollar will go to the county, paid by the federal government in lieu of taxes.

The remaining 48%, or \$336,000 a year, will go for office, administrative, salary, consultant, engineer and travel costs. The budget is to be approved by the state budget director and the legislature.

A supplementary budget of \$19,610 also is to be sought with about \$16,000 to go for leasing an additional 100 acres of land for development and additional river frontage to give the district 2300 feet along the canal harbor. The supplementary budget also includes \$2400 for additional travel expense and \$1200 for lease of an automobile in the event the port office is moved to the port site.

In other action, the board amended the \$720,000 revenue bond issue ordinance for the port development to clarify the sale to the Continental Illinois National Bank & Trust Co., Chicago. The bonds carry 5% interest.

**GC Kiwanis Plans
Annual Peanut Sale**
Tentative plans for the annual benefit "peanut sale" sponsored by the Granite City Kiwanis club were discussed by club members in their regular meeting Monday night. The sale no specific date but made arrangements to order supplies. The peanuts are sold on the streets by club members, with the proceeds going to charity.

The club has as its guest Melvin Gilie, a Kiwanian of Kalamazoo, Mich., who is to make the new W. T. Grant store now nearing completion at Nameoki Village shopping center.

Also during the port board meeting, presided over by Chairman Carl A. Ranft, the commissioners approved a \$140,000 budget for the biennium from July 1, 1965, to July 1, 1967. It is expected to be the final request for state funds, since the district soon will be in business and collecting rent on leases.

Two Speeding Charges

Kenneth W. Evans Jr. of Webster Groves, Mo., and Kenneth R. Ebert of Edwardsville were arrested on speeding charges Tuesday morning at 2800 Madison avenue as Granite City police utilized the radar unit. Hearings were set for Sept. 24.

Pulls from Curb, Hit

A minor accident occurred when a car driven by Martha A. Atrip of 4835 Redwood lane pulling away from the curb at Niedringhaus and Madison avenue, was touched on the left bumper by the right side of a car driven by Troy E. Powell of 3120 Denver street, about 2 p.m. Tuesday. Both autos had slight damage.

Lunches to be Served at Logan Annex; End Special Noon Bus Run

The Granite City school board Monday night decided to have student lunches served at the Logan annex, a four-classroom building located at 2405 Logan street, several blocks from the main Logan school at 2400 West 25th street.

The change is being made in connection with plans to eliminate a special bus run transporting Logan annex pupils to the Logan cafeteria for the lunch hour each day.

Reasons against having the lunch program director, Mrs. Eva Meier, principal of Logan and Logan annex, and Marvin Dean, school district engineer.

Food will be cooked at Logan and transported to the annex in an auto by the cafeteria worker who will be in charge of the annex lunch program, with the help of custodians.

A milk cooler furnished by a dairy will also be used to cool fruit and other food items over-

night. A coffee urn already is in operation at the annex, and an electric stove there is regarded as adequate for the needs. There also is a refrigerator, but it will not have to be used for the lunch program.

A small sink in the basement is deemed adequate to wash silverware, trays and small items, and plans call for heavy-duty constructed paper plates to be used. A work table will be expanded and shelving added.

Lunch Equipment

The school board Monday night authorized purchases for Logan annex totaling an estimated \$2865, including \$1700 for four wall folding tables, \$750 for a portable electric steam table with tray rail and glass protector, \$250 for trays, forks, spoons, knives and mixing bowls, \$150 for five electric work outlets plus carpenter work and \$15 for a tray stand.

In other business, the board authorized purchase of two television sets for Granite City high school, to be paid for from non-tax money accumulated in the high school activity fund. A total of \$318 will be paid to State Radio & Television Co. for two portable sets with high-base stands.

Basic typewriter purchases were made last spring, and the business said new tax funds have been received, and \$650,000 is currently invested.

Supt. Johnson and President Daniel Linder noted that tax anticipation borrowing was avoided in the 1963-64 year and at the start of the 1964-65 year despite unusually late tax collection.

New Taxes Received

Victor G. Anderson, administrative assistant in charge of business, said new tax funds have been received, and \$650,000 is currently invested.

Supt. Johnson and President Daniel Linder noted that tax anticipation borrowing was avoided in the 1963-64 year and at the start of the 1964-65 year despite unusually late tax collection.

A loan from the school district building fund was used to meet an Aug. 1 bond and interest payment.

Liability Insurance

The Granite City school board was awarded to the Lueders Agency on its low bid of \$5840 for the first year, \$4457 second year and \$4457 third year.

The coverage includes bodily injury of up to \$100,000 in individual or \$300,000 a case, property damage, school district work performed by contractors, food, corporal punishment, school personnel acting within the scope of their duties, contracts under which the district has assumed liability, false arrest, personal injury, activities in schools by municipal groups and PTAs, medical payments, libel, slander, invasion of privacy, wrongful eviction and wrongful entry.

A \$2707 payment to the Reinhardt Agency for football team insurance was approved.

Cleaning of GCHS football floodlights was awarded on a low bid of \$145 to Dron Electric Co., which will replace defective lamps at \$5.50 each.

GCHS Signboard

It was noted that a signboard announcing school activities is

Mitchell Kiwanians Hold Joint Session

A joint meeting of the Mitchell Kiwanis club with five visiting Kiwanians from Glen Carbon was held at Art & Norma's, 108 Douglas avenue, Mitchell, Monday night. The clubs were host to George Barnhart, district lieutenant governor, who invited the club membership to attend the district convention Oct. 4, 5 and 6, and a fellowship meeting Oct. 22, which also will be a ladies night program. Arnold Cassens of the Edwardsville Kiwanis club also was a guest.

Plans were discussed by the Mitchell club to hold a ladies night program on Sept. 28. Final arrangements are to be announced in next week's meeting.

Wes Palander of the General American Transportation Co. of Chicago, spoke to the club on "Transportation in America." Reports of boys and girls activities were made by Golden Barton and a financial report was given by Francis Richardson. Club President Gene Durrett reported on the award of trophies to the boys' baseball team and a trip by 125 Youngsters to a St. Louis game.

Golden Wedding Anniversaries, Engagement and Club Meeting Highlight Quad-Cities Social Scene

Prather PTA Hears Johnson

First fall meeting of the Prather junior high school PTA was held Tuesday evening at the school, with Mrs. Geneva Paul presiding and Supt. Russell D. Johnson as guest speaker.

The pledge to the flag was given by Walter Klein, principal, and the PTA prayer was offered by Mrs. Ida Hanfelder, a guest, district director of PTA.

Reports were given by Mrs. Gladys Diak, secretary, and Mrs. Erna Dolan, treasurer. Announcement was made of a district meeting at St. John's United Church of Christ Sept. 28. Klein then introduced approximately 20 teachers, and Mrs. Paul introduced new officers and committee chairmen.

Supt. Johnson spoke on "Progress and Problems in Our Schools." He emphasized the large growth in enrollment and changes in educational facilities. He said the addition to Prather should be completed by the next school year and will relieve crowded conditions.

Preceding the talk some of the parents had voiced concern over the public income stemming from activities of a few students. Johnson said that all should not be judged the same as a few; for "bad apples," more intensive counseling by parents could lead toward improved understanding of problems, he commented.

Yearbooks and "buzz books" will be available at the Oct. 20 meeting. The PTA chorus will resume its meetings at Maryville school Sept. 20. PTA members will conduct solicitation for the cerebral palsy fund today through Saturday.

The PTA board served refreshments. The board will meet on Oct. 13.

St. Mary's PTA To Buy Films

Mrs. Janet Werner presided over the St. Mary's Parent-Teacher Association at a monthly meeting Tuesday evening at the school cafeteria. Mrs. Gladys Markovics, chaplain, led prayer.

Thirty-seven members responded to roll call and voted to purchase movie film strips for the school sisters on "Religious Life."

Plans were made for a bake sale Oct. 3-4. A social has been planned for Sept. 27 in the cafeteria.

The second grade room was the winner of an essay contest. The most mothers present, the hostesses, Mrs. Adele Wasylik, Mrs. Mrs. and Mrs. Lester Fehling, Barbara Plamitz, Mrs. Helen Kulassa and Mrs. Mary Thebaud, served refreshments. Next meeting will be held Oct. 12.

BRIDE-TO-BE. Miss Melba June McFalls, fiancée of George D. Russell, a son of Mr. and Mrs. James Russell of Bend road. The engagement is announced by the bride-elect's parents, Mr. and Mrs. Orville McFalls, 3024 Buxton avenue.

Russell-McFalls Engagement

Mr. and Mrs. Orville McFalls, 3024 Buxton avenue, have made informal announcement of the engagement of their daughter, Miss Melba June McFalls, to George Douglas Russell, a son of Mr. and Mrs. James Russell of Bend road.

Tentative wedding plans are made for late summer 1955. The ceremony will take place at St. John United Church of Christ on Namook road.

Miss McFalls is a senior at Granite City high school. Her fiancé was graduated from the Madison high school in 1953 and is employed at Granite City Steel Co.

Pink and Blue Shower at YMCA

A pink and blue shower was given Monday evening at the YMCA honoring Mrs. LaVerne Corbett.

Hostesses were Miss Carol Niepert, Mrs. Sandra Grote, Mrs. Betty Grote and Mrs. Betty Haug.

The appointments were in pink and blue and the tables were centered with small cradles holding dolls. The gifts were placed beside a large cradle.

Refreshments were served to Mesdames Myra Grote, Alice Hoffman, Vivian Haug, Gertrude Thomas, Frances Statton, Gaylord Ledbetter, Betty Doyle, Darlene St. Clair, Shirley O'Laughlin, Yva Blaylock, Lela Gumbert, Barbara Phelps, Wanda Moore, Carole Cannady, Barbara Jo Beers, Carl Mahon, Mary Alice Hurlings, Allene Grote, Clara Stein, Dortha Dortch, Rachael Brown, Roni Harrison, Miss Duggins, Shirley Claxton, Mary Lou McCarty, Beth Brown, Alberta Raub, Rosemary Lindner, Evelyn Smith, Norma Rains, Betty James, Carolyn Sykes, Leola Kachelberg, Misses Irene Bunaway, Janet Statton, Nancy McManaway and Cheryl Brown, the honoree and the hostesses.

Riverview Gardens Visits GCHS For First Time Tomorrow Night

Darkhorses in their respective conferences, the Riverview Gardens Rams and Granite City's Fighting Warriors meet for the first time as the 1964 high school football season opens tomorrow night.

If pre-season conjecture hold true, the contest—set for 8 p.m. at the GCHS field—shapes up as a pretty even affair, with a hard defensive battle in the offing.

Certainly, the local gridiron will be an important proving ground for the conference hopes of the Rams, who are hoping to challenge champion Ladue in the Suburban St. Louis Big Ten, and the Warriors, seen as the only team with a chance to beat out powerhouse Belleville and East St. Louis in the Southwestern Conference.

"They're going to be awful, awful tough," said GCHS coach Jim Morrison. "We hear they've got a great ball club and that this is their year."

But if Riverview coach Gerry Nordman, now in his ninth season there, is optimistic about the Rams improving their 5-2 mark of last year, he's keeping it a secret. "Well, we could be better," he said. "But I'd say we're about the same."

All-Senior Lineup

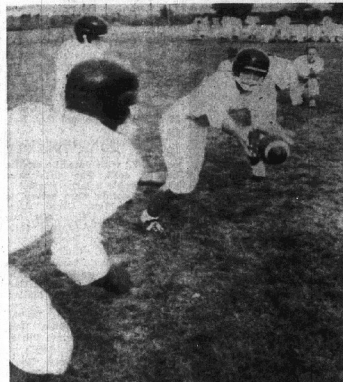

Nordman announced an offensive lineup of 11 seniors with seven lettermen. In the backfield, halfback Gene Ball and fullback Mike Crank are lettermen but quarterback Terry Otten is not, after sitting out last season with an injury.

Morrison's offense includes eight seniors and three inexperienced juniors at key positions—split end Leonard Revellie, right halfback Ricky Turner and fullback Gary Johnson. A 200-pounder, Johnson replaces Tom Crockett, senior letterman, in the only change from the first-string lineup of last Friday's intra-squad game.

In an indication of defensive strength, the Rams didn't allow their opponents more than two touchdowns in any game last season and finished strong, winning the last three games. Weighing in, at least, they'll bow to the Warriors' line.

On offense counting tackles, guards and center, Granite City has a 211 average to Riverview's 182. On defense, ends, tackles and linebackers.

MHS Hasn't Beaten Edwardsville Or Won Opening Game Since '58

Fighting a five-year jinx, Madison's Trojans will open their football campaign against the Edwardsville Tigers tomorrow night. Game time is 8 o'clock at the MHS field.

Not since 1958, when they opened with a 14-11 triumph over Sparta, have the Trojans been able to win the opening game of the season. It was the same year that the locals last defeated the Tigers (the score was 6-2) in their long rivalry.

The Edwardsville-Madison series dates back to the Trojans' second year of football, 1890, when they joined the Southwestern Conference and the Tigers won a 33-6 decision. Since that time, the schools have met 30 times, with Madison winning just four and managing two ties. The last tie came in the 1961 opener (19-10), the year Madison went on to post a 6-1 record and win the Midwestern Conference title.

"Further Along"
"I'd say we're further along now than we were at the same point last season," said Madison coach Glen Pickering, indicating that the Trojans figure to make this meeting closer than the 46-12 Edwardsville runaway of last year.

"We just hope the boys are ready mentally," he said. Like it

or not, Madison's griders always tend to look past the opener to the traditional second game against arch rival Granite City.

In announcing his starting offensive lineup, Pickering said that Tom Miller is recovering from the flu and will not play. He was expected to play left tackle, with twin brother Jack as his counterpart. Senior Stan Banaszak, a 240-pounder, was named as his replacement.

The tentative lineup includes seven seniors and four juniors—three of them backs. They are quarterback Tom Williams, fullback Alton Rendell and either Paul Lusk or Dale Turner at left halfback.

Edwardsville This
Pat Price, the new Edwardsville coach, says his main problem is lack of depth in the line—a point where Madison is best supplied.

He said most linemen will play both offense and defense. This lacking has encouraged Price to keep boys out of contact in most pre-season workouts, with heavy emphasis on conditioning.

In the backfield, left half Jim Hoskins poses the main power threat as he follows the footsteps of now-graduated brother Bob. Bob Brown, who may start at fullback, is the speed demon at fullback. At quarterback, Garold Pendergrass is a question mark, since he played mostly defense last year as the Tigers compiled a 5-4 record.

The Trojans may not have to contend with a 200-pound Don Spencer at evening. The ace of offense end and defensive tackle of the Tigers has been slowed by a slight knee injury.

Johnny Harris Had 1st GC Touchdown

Additional information has been obtained on the first Granite City high school football game of 1921. A brief history of the team appeared in last week's "Football Special."

A reader, Mrs. Sandra Harris, informed the Press-Record that her late husband, Johnny Harris, had the honor of scoring the first touchdown on the GCHS gridiron.

She said this was a subject of controversy for many years but the scoring of the first touchdown was confirmed by the late W. E. Coledge, ex-GCHS principal at the 20th anniversary reunion of the team. Mr. Harris passed away a year ago.

Mrs. Harris also said the first goal on the GCHS basketball field was scored by her late husband's brother, Frank Harris, still a resident here.

Boilish Hall meets Sportman's Club at 10:30 a.m. Sunday at Lee Park, Venice, in a semifinal of the high school game as part of the Tavern League playoffs. The winner meets Liberty Home on Sept. 26 in the title game.

Sacred Heart At Collinsville For Playoffs

Sacred Heart makes a bid to enter the championship series of the Southwestern Illinois Inter-City Baseball League in a 2:30 p.m. game Sunday at Collinsville's Fletcher Field.

The Hearts, who finished second in the Red Division with a 12-9 record, will be playing the Collinsville Boosters, Red champion at 16-5.

At the same time, Pocahontas Braves (13-8) will play the St. Clair Heaters (14-7) in the Blue Division at Jones Park, East St. Louis.

Winners of the two games will then compete in a best two-of-three series for the President's Vernon Lucas trophy, starting Sept. 27. Lucas is the founder and president of the league.

During the regular season, Sacred Heart beat the Boosters in two of the three games they played. The Hearts won by scores of 11-4 and 8-0, with Collinsville taking a 4-0 decision.

The other Granite City team, Mercer Funeral Home, was eliminated in the first round of the playoffs by Pocahontas.

(EDITOR'S NOTE: Imagine our dismay when the closest containing Claude, the mechanical football prediction computer, was opened this week. Nothing remained but a small pile of rust. Apparently the failure to hit last year's 750 goal (he was just .007 short) was too much for the old fellow and he spent the winter crying. Unfortunately, the tears must have rusted him away. Shrugging off sadness, we made an emergency call for a prognosticator. There was only one reply and now Claude, the machine has been replaced by a human. Here is her (yes, her) first column.)

Hello there! My name is Grandma Pixie—oh, yes, Anastasia Pixie is my real name—but you can call me Grandma, all my friends do.

Oh, I'm just so excited! I really am! This is my first venture into the sporting world. The sports editor suggested that I use fewer exclamation points, but I am just so excited!

Well, not really the first venture; I did see an exciting game once on the Kaskaskia river in 1911 but I was only a spectator, you understand. Now it's football. When I learned I had a job, I jumped so high for joy I almost landed on my knitting needles.

I met the team headmasters and they were so nice. Mr. Pickering at Madison said the thing about having a tea with wings; he certainly does treat the boys right. Chicken wings, I guess he meant.

Mr. Morrison at Granite City treated me to a frightfully interesting discussion of the red dogs, the Statue of Liberty, submarines and buttonholes (more in my line, I thought). He was all rather confusing but he was very pleasant about it.

So there I was, ready to make my first selection. There'll be a hundred over the season, I was told. I'd obtained a list of the studies the scoring procedures, read the newspaper reports and decided that it would be Granite City 192, Riverview Gardens 76.

Then the sports editor called me into a three-hour conference (football is so complicated) and he liked the selections below a little better. Toodle-oo.

7 Games Saturday Open Flag Football

Seven games are scheduled Saturday as the Granite City park districts flag football schedule opens at Wilson Park. The playing fields are located along Fehling road.

The 5th-6th grade schedule: 9 a.m., Rams vs. Eagles; 10 a.m., Browns vs. Redskins; 11 a.m., Cardinals vs. Old Fellows; 12 p.m., Rams vs. Colts. The 3rd-4th grade schedule: 11 a.m., Falcons vs. Rams; 1 p.m., Eagles vs. Redskins; 2 p.m., Red Barn vs. Falcons.

A fourth team is still needed for the 7th grade league and boys may contact the park office TR 7-3039. The 3rd-4th graders will play six-man football while the older league will play eight-man for the first time.

A meeting for all managers in the program has been called for 6:30 p.m. today at the Wilson Park office.

GC Steel Joins Industry In Noting 'Century Two'

Granite City Steel Co. is joining this month in the observance of the steel industry's centennial and the beginning of "Steel Century Two." The emphasis is on the latter as the industry prefers to look ahead to future growth and product improvements.

The iron age ended in September 1864 when the first commercial batch of steel in the United States was poured at Wyandotte, Mich. Since that year, when total national steel production came to a mere 10,000 tons, the industry has shared in the tremendous growth of the American economy.

This week, along with 150 other plants, Granite City Steel set

Grand Jury Asked To
Hear Old Murder Case
A demand that the current session of the Madison county grand jury hear the three-year-old Billy Barnes murder case was made Wednesday by J. P. Scott, special agent for the Nickel Plate Railroad, over the protests of State's Atty. Dick E. Mudge who claimed he had insufficient evidence.

Scott maintained that, Louis Bowman, chief investigator for the county sheriff's office, had uncovered new evidence. Barnes, of Washington Park, was found shot in his car on a road leading to a railroad tower where he worked near the Edwardsville road-East 20th street intersection. The jury foreman said he would let the jurors decide. The grand jury, which was scheduled to make its report on Wednesday, will not report until Monday because of a heavy criminal case load.

County NFO Sets Meet
Friday, Dance Saturday
The Madison County National Farmers Organization will meet at 8 p.m. Friday at the Hannu community hall and will hold a public orchestra dance at 8:30 p.m. Saturday at Lindendale park, Highland.

The speaker will be Merle Wilbur of Pittsfield, Illinois, national director of NFO. Four attendance prizes will be awarded at the dance, including a hind quarter of beef cut and wrapped. The public is invited to both events.

Best State Costume by Local Hair Stylists

Illinois Hairdressers and Cosmetologists at their convention ending Monday night in Chicago accorded first place to the Elite Hairdressers Association of the Quad-Cities in the "parade of affluence."

Each of 45 units had been asked to enter a costume symbolic of a phase of Illinois history, trade, attitudes, etc., and Affiliate 33 submitted a \$100 white and gold entry designed by President Earl Parsons and modeled by Mrs. Mary Ann Andre. The hair style was by Earl Tucker, and the costume theme was an integration of ideas on hair styling, geographical locations and state functions. It was highlighted by over 150 small light bulbs.

Second place went to Chicago, which used the Chicago fire as its theme and expended \$2250. The local entry will represent Illinois at the 1965 national convention.

Elite also placed first in original entries in National Beauty Salon Week judging. The week is observed in February. Elite was recognized as the most publicized affiliate.

Attending were Mr. and Mrs. Tucker, Mr. and Mrs. James Brown, Mrs. Joyce Campbell, Miss Ann Carney, Miss Jones, and Miss Margaret Cariss, Miss Linda Ballentine, Mrs. Andre, Miss Elaine Prince, Mrs. Mrs. Phillip Mull and Parsons.

Three GC Men Charged With Fake Auto Theft

Two men were charged with theft of a car and the owner was charged with conspiracy to commit a theft after the pair was found stripping the auto near Edwardsville.

Hearings were set for Wednesday for Gaither Yates, 24 of 2124 Benton street, and Paul Edwardsville, 21 of 2124 Benton street, both charged with theft on warrants filed Monday, and for Douglas Myers, 26 of 2625 Denver street, owner of the car who was arrested Tuesday and charged the following day, Magistrate Gasparovic set \$1500 property bonds pending the hearings.

All three men are employed at the same local industrial plant, and authorities said that according to statements of Myers and one of the two \$100 and spare parts to steal the car, strip it and lug it in an attempt to defraud an insurance company.

Myers, in reporting the theft at 3:30 p.m. Sunday, said he had found the car at 19th street and the railroad tracks early that morning before reporting it to his office, and Helvey was apprehended near the scene. Officers then saw Yates approaching with a tire under each arm.

They shouted at Yates, but he dropped the tires and fled into the woods. Sheriff Barney Faudon said Yates spent the night in the woods and turned himself in to police Monday.

In statement, Helvey said Yates obtained the car and asked him to help strip it.

Rotarians Get First View of Police Dogs

Granite City Rotarians had their first view of the two police dogs the club bought for the Granite City police department Tuesday during the regular weekly luncheon meeting at the YMCA.

Since the dogs were still a little new to their handlers, they were a trifle nervous but, as one Rotarian said, "not nearly as nervous as we were." Both dogs were on strong leashes and, despite their nervousness, very well behaved.

"Stormy," a solid black German Shepherd, was handled by Patrolman Frankie Harris and "Prince," by Patrolman R.A.P. Parney. During the intensive training period to acquaint dog and handler, Parney said he lost 18 pounds.

Both dogs were bought by the Rotary Club from proceeds of the club's annual Horse Show. Each year this money is used for a community service project and since inception of the program nearly \$15,000 has been spent.

Henry Hellrich, Granite City Steel Company engineer and a member of the United Fund staff of speakers, exhibited slides showing activities of the 17 local UP agencies. Commentary was by Dan House, with additional details of the fund-raising campaign, which opens Oct. 13, by Hellrich.

He emphasized that the \$335,000 goal this year is up 10% and pointed out that services rendered by the UP agencies are entitled to generous support from everyone.

Sewage Treatment Plan by Levee District Unopposed at Public Hearing

About 35 persons attended a public meeting Tuesday morning on the new Landsowne sewage treatment program planned by the East Side Levee & Sanitary District and there was no opposition to the project other than comments by individuals who said they did not like the idea of paying a monthly charge.

The hearing at the district's offices in East St. Louis was held to permit questions on the \$224,000 program which will serve all of Madison and Venice plus sections of Stites township (Brooklyn area) and Canteen township (Fairmont City area). Only two persons identified themselves as Quad-Cityans.

Most questioners wanted to know if their specific areas were included in the project and there was little discussion on the estimated \$1.60 monthly users' fee for homes using less than 300 cubic feet of water. Although a graduated scale will be used according to water usage, most homes will fall in the \$1.60 category, according to levee officials.

The levee district is constructing the plant under orders from the state and federal governments which are striving to end pollution of the Mississippi River. Most raw sewage is now dumped into the river without treatment.

With no formidable opposition, the levee district trustees recessed the meeting after 45 minutes and returned shortly to approve ordinances to put the program into operation.

Dec. 1 Target

Construction is expected to start about Dec. 1 with bids to be opened in late October. Advertisements for bids has already been published. The next step will be legal work for the sale of the revenue bonds to bonding companies. The revenue bonds are expected to total \$2,281,000 with a federal grant adding \$643,000.

Two persons from the Quad-City area spoke at the hearing. A woman asked if her farm, off Route 203 near Madison, would be included in the system. She was told no. Cleveland Johnson, president of the Eagle Park Acres Improvement Association,

was told that area is not included in the current plans and therefore there will be no cost to its residents.

F. E. Wisely, consulting engineer with Horner & Shifrin of St. Louis, explained that only actual users of the system will be charged and that the users themselves would not be charged until the system is essentially complete—about 1 1/2 years from now.

Five residents of the Mound State Park area near Collinsville attended after receiving notification of the meeting by mail. Atty. Joseph Goldenhersh told them that statute required all residents of townships in the system be notified regardless of whether or not their particular area was included.

Mrs. Rose Martin, 67, Venice Resident, Dies

Mrs. Rose Gladys Martin, 67, of 314 Main street, Venice, died Monday at 9 p.m. in Memorial Hospital at Belleville where she had been a patient nine days. Mrs. Martin suffered a stroke a week before her death and previously had been ill with a heart ailment.

Mrs. Martin, a resident of Venice for 38 years, retired three years ago as a packer for the Carlowa, Inc., St. Louis, where she had worked for 11 years. She was a native of England.

Her husband, Jasper Martin, preceded her in death July 1958. She is survived by a son, Edward J. Crowell of Venice, a daughter, Mrs. Lela (Nance) Heilig of Washington Park, two brothers and three sisters in England, seven grandchildren and four great-grandchildren. An obituary notice is given elsewhere in this issue.

Boy's Bicycle Stolen

Sue Karies, 706 Kirkpatrick Homes, reported at 11:20 a.m. Tuesday that during the night a thief stole a boy's red and white 26-inch bicycle.

Asked what benefit the public will derive from the treatment plant, Goldenhersh said: "All municipalities and levee districts along the Mississippi from Minnesota to the Gulf are required to conform to this pollution abatement program. If these gentlemen don't (referring to trustees), they might go to jail. So the levee district has no choice. Your benefit will be that this treatment will bring the Mississippi back to the way it used to be. And maybe during our lifetime, we can swim in the river again."

Goals of the pollution abatement plan, as outlined originally by the state and federal government are: 1. Substantially complete removal of floating and settleable solids; 2. Removal of not less than 85% of total suspended solids; and 3. Removal of substances causing undesirable taste, odor or unhealthful conditions downstream from the St. Louis area.

Wisely explained that should a substantial number of large-water users (i.e. industries, decide to join the system rather than build their own treatment plants, the cost per small-water users might be reduced. Wisely said the current rate of annual cost will be \$200,000 to small-water users and \$75,000 to large-water users. The small-water portion could come down to as low as \$150,000 annually depending on what industries connect onto the system.

On the rate subject, Wisely commented: "If the entire levee district (which includes about 96 square miles) were in the levee district program, the cost would probably be 75 cents instead of \$1.60. But the levee board has no control over the individual municipalities and some of them, like Granite City, East St. Louis and Monsanto, decided to take another course."

Pedestrian Struck

Thomas Puhse, of Dunlap Lake, Edwardsville, reported to police at 11:35 a.m. Tuesday that after he backed up about a foot in the 1900 block of Edison avenue to permit a large truck to leave a parking space, Sam Gardner of St. Louis informed him that Puhse's car had struck him in the leg. He said Gardner did not want him to contact police. Puhse had been stopped preparing to make a right turn into the Granite City Trust & Savings Bank parking lot.

Strong-Arming Occurs During Tour of Taverns

Alvin W. Sadler, Ferguson, Mo., reported to the Marion county sheriff's office at 9:45 p.m. Tuesday that he was the victim of a strong arming by two men who took \$35 to \$40 on a country road near the Sportsman's club on Highway 111.

One of the two pulled a gun, and the other cut him on his hand with a knife, Sadler said. He told authorities he had been on a tavern tour with the two men which began earlier in East St. Louis and included stops at the Blue Haven in Brooklyn, the Boat House on Highway 111, Johnny Lewis' tavern in Madison, and the Sportsman's club. He described the driver of the auto as being 33 to 35 years old and 6 feet, 4 inches tall, and the other 40 years old, 5 feet 10 inches and weighing about 184 pounds.

Sadler said he had left the two and had hitched a ride on Highway 111 toward East St. Louis, but that they followed. The driver of the car in which he was riding stopped, and he reported with them before the strong-arming occurred. The sheriff's office said a bloody \$10 bill was used later to purchase two bottles of beer at the Sportsman's club. Sadler told authorities he drove away in his own car from another tavern. Investigators said the next day they were still investigating.

GC School Board Sessions Changed To Tuesday Nights

Meeting night of the Granite City school board was changed Monday night from the second and fourth Mondays to the second and fourth Tuesdays. Due to the four-year interval before the Oct. 13 meeting, the next board session is expected to be held on Monday, Sept. 28.

The change was urged by President Daniel Linder, who said his family's clothing store is open Monday evenings, and Secretary Ronald Dillard, who is affiliated with an athletic program on Monday nights.

The vote was 6-1, with Dr. Eugene W. Walton opposed. He has office hours on Tuesday and Thursday evenings. He and Robert Spengler commented that it is unusual to change the board meeting night in mid-year (it is designated at the annual board reorganization) and Dr. Walton said that he had stationery and cards listing his office hours printed after the board had selected Monday for its meetings.

No Ideal Night Found
Supt. Russell D. Johnson said Wednesday or Thursday would be best from the standpoint of administrative preparations for board meetings, but added that the existing schedule caused no serious problems.

Dillard initially favored Wednesday, but Spengler and Ralph Buske stressed that many churches have activities on that night. Treasurer Monroe Worthen opposed Friday, Saturday or Sunday sessions, and daytime meetings drew no support.

Robert Crider said Monday may have been chosen originally to accommodate him and Dr. Walton, both of whom joined the board in April. Crider added that he would not object to any night favored by the board majority.

8 p.m. Starting Time
It was decided to begin the meetings at 8 p.m. instead of the previous 7:30 starting time. Agendas and reports will be mailed to board members on the Friday preceding a meeting, instead of Thursday.

With the schedule change, potential Oct. 12 and Nov. 23 conflicts were eliminated. Supt. Johnson was authorized to allocate

tend an Illinois Association of School Administrators meeting in St. Charles, Ill., beginning Oct. 11, and plans were made for most board members and their wives to be in Chicago Nov. 23 for the Illinois School Board Association convention.

The board authorized Lawrence McCauley, high school principal, and Bobby J. Davis, Central junior high principal, to attend the annual meeting of the National Secondary School Principals Jan. 16-20 in Miami, Fla. Arrangements were made for board members to have individual pictures taken for a group picture taken for the GCHS yearbook.

Substitute Teacher Pay
On the recommendation of Supt. Johnson, the board voted to alter the pay of substitute teachers who have been recertified in \$21 a day, (\$18.50 for those without degrees) for up to 20 days, and pay based on the regular teacher salary schedule beginning with the 21st consecutive day.

Under the new procedure, when 21 or more consecutive days have been worked, the substitute teacher will be paid according to the salary schedule retroactive to the first day. Difference between the two scales was estimated at \$10 to \$15 a day by Supt. Johnson.

Possible action on age requirements for substitute employees was deferred until a later meeting.

May Establish Shrub Nursery
Supt. Johnson was authorized to prepare a recommendation on establishment of a school nursery, where seedlings and transplants would be grown to provide trees and shrubs for landscaping of Granite City schools.

He said most schools need further landscaping but that the cost exceeds available funds.

It was decided to establish portable restrooms at the high school football field as soon as possible this fall. Permanent facilities may be constructed later.

SPEAKER at the fifth annual teacher-clergy dinner of the Quad-City Ministerial association will be Dr. Alfred M. Rehwinkel, Concordia Seminary, St. Louis, who has lectured 42 years throughout the United States, Canada, India, Australia and Brazil.

Teacher-Clergy Dinner Tonight

The fifth annual teacher-clergy dinner sponsored by the Quad-City Ministerial association will be held tonight at Concordia Lutheran Parish, 23rd street and Grand avenue, with Reverend Professor Alfred M. Rehwinkel of Concordia Seminary, St. Louis, to deliver the address. The dinner will be served at 6:30 p.m.

Dr. Rehwinkel who has been lecturing 42 years to divinity students in Canada, the United States, India, Australia and Brazil, will speak to the teachers about the power of their influence upon young minds. Dr. Rehwinkel's experiences have found publication under many titles, from founding the Edmontan, Altoona, zoo to the "Ethics of Jesus," and from on-the-scene studied in Biblical archeology to "Planned Parenthood."

Rev. Arvin Twietmeyer, Concordia pastor, church, said about 150 guests will be served a turkey dinner by the church women. George Laskey of the Pontoon Church of Christ and treasurer of the ministerial association will serve as master of ceremonies. Rev. Dr. David Maxton, pastor of the First Presbyterian Church and president of the association, said the program is a "gesture of good will whereby we want our teachers to know that we both respect them and want to support them as teachers of our youth."

St. John Lutheran Building Anniversary

St. John Lutheran Church, Dale and St. Clair avenues, will celebrate the fifth anniversary of the dedication of the new church edifice Sunday when the congregation will assemble for an anniversary service at 10:15 a.m. There will be no 8 a.m. services.

Guest speaker for the anniversary celebration will be the Rev. J. J. Vajda, assistant pastor of St. Luke's Lutheran Church, St. Louis, and editor of the Lutheran periodical, "This Day." His theme will be "The History We Make." Holy Communion will also be celebrated at this service. The local pastor, the Rev. Samuel Boda, will administer the Holy Sacrament, assisted by Pastor Vajda. Prior to the observance of the Holy Supper, new kneeling cushions for the Communion rail will be dedicated. They will serve as a memorial to Andrew W. Petrovich and are a gift from his mother, Mrs. Susan Petrovich, and brother, John Petrovich.

The Senior Choir will offer a festive anthem, "Hallelujah Amen," from Judas Maccabeus, by Handel. They will sing Lullaby's "The Benediction" at the close of the service. Directing the group will be the pastor, with Mrs. Mary Cell at the organ throughout the service.

Following the service, members of the congregation will proceed to the downstairs fellowship hall for a church banquet which the ladies of the Women's Service Guild and Ladies Aid of the congregation will serve. Master of ceremonies will be Rev. Boda, with Pastors Arvin Twietmeyer and Alfred Bula as speakers. Joseph C. Cell, chairman of the congregation, will speak on behalf of the congregation and its various organizations.

The fifth anniversary planning committee, with O. T. Potter as chairman, has been conducting a church renovating program during the past two months. Church members have prepared the church building and grounds for the event. Leading the way have been the church property trustees, led by Charles Pool, chairman.

A former local resident, he attended Sacred Heart and Prohard schools until last year, when the family moved to Mt. Vernon. He resides with his parents, Mr. and Mrs. Gail Phelps. Phelps is manager for the Mutual of Omaha Insurance Co.

MISS HARLOW HONORED AT BRIDAL SHOWER

Miss Julie Harlow was complimented with a bridal shower Sunday afternoon at the Sunset Hills country club, given by Mrs. Earl Lewis and daughter, Miss Mary Lee Lewis.

As the guests entered they placed their gifts on a table covered with a pink and white cloth, topped with a rotating pink net umbrella decorated with scallops and white flowers. The base of the umbrella was

adorned with matching pink net. Miss Harlow opened her many gifts for the guests to view.

Refreshments were served at card tables covered with white cloths and napkins appropriate for the shower. Favors were miniature pink umbrellas covered with pink net and ribbons of the valley tied with white ribbons, with vases of pink and red rosebuds.

Games were played, with prizes awarded.

Those seated were Mrs. Blanche Blake, Mrs. Laura Harlow, Mrs. Mary Lahey, Mrs. Shirley Lybarger and daughter, Lynette, Mrs. Wanda Bradford, Mrs. Rose Lutz, Mrs. Edna Junk, Mrs. Era Craycraft, Mrs. Clara Taylor, Mrs. Juanita Brown, Mrs. Judy Werthe, Mrs. Carol DuHadway, Mrs. Pat Early, Mrs. Mary Gayle Nevinger, Mrs. Georgia Harlow, Mrs. Lenna Williams and Miss Joan Williams.

Miss Lewis and Mrs. Lybarger assisted the bride-to-be in opening her gifts.

The honoree is to be married Oct. 10 to Ramsey Rich.

Church on Friday, Sept. 25. Location will be the school cafeteria.

Athletic Chairman Charles Henry has reported that the group will again sponsor a soccer team this season. The society will meet Oct. 13, and a joint Holy Name and Altar Society Christmas party will be held Nov. 28. The society is making a contribution to the Committee on Obscene Literature.

DUPLICATE BRIDGE MASTER POINT DAY

The Granite City Duplicate Bridge club met Monday at the YMCA under the direction of Mrs. Helen Meyer for Master Point Day.

First place honors went to Sam Meyer and Al Barnes, second place to Mrs. Elizabeth Tiller and Mrs. Donna Schaffer, third place to Mrs. Jerry Sebold and Mrs. Helen Meyer, and fourth place to Mrs. Helen Todi and Mrs. Lou England.

METHODIST WOMEN PLAN TRAINING SCHOOL

The Women's Society of Christian Services of the Nameoki Methodist Church held a monthly meeting Monday at the church.

Mrs. Vivian Gula opened the meeting with devotion, followed by the lesson entitled "The New Purpose For the New Age," given by Mrs. Dorothy Luckert.

Mrs. Mayne West, president, conducted the business meeting and announced an officers' training school will be held at the church Friday, Oct. 2, at 7:30 p.m.

A week of prayer and self-denial will be observed Oct. 25-31 and Nameoki Methodist Church will be host to a United service Oct. 29 at 7:30

p.m., with baby sitting provided. Mrs. Dorothy Wallace closed the meeting with prayer. Refreshments were served by the month's hostesses, Mrs. Lu Ann Briner and Mrs. Luckert. En Potter, Lucille Russell and Berne Sawyer. A meeting will be held at the church Oct. 5.

SCOUT PARENT NIGHT

Boy Scout Troop 22, sponsored by the Frohardt PTA met Monday evening at the school for "Parents' Night." Scoutmaster of the troop is Ken Cardwell.

Plans were completed for a fall fry Oct. 2 at the school. A campout is scheduled for Sept. 26 near Burlington Hill. The board of review met on Sept. 28.

Awards were given to scouts who had completed a mile swim during summer camp at Camp Sunn. This year, Ricky Cardwell, Charles Smock, Alan Nacy, Kevin Nicol, David Jesse, Pat Janne and Joey Michon.

Three demonstrations were given at the meeting, the first on first aid by Alan Nacy and Kevin Nicol, the second on "How to Pack a Pack" by Ricky Cardwell and Charles Smock, and the last on "How to Dress Correctly" by Mike Davis and Russell Simcik.

The group reviewed a film taken at Camp Sunn by the leader during the summer camp.

The next meeting will be held Sept. 21.

GIRL SCOUT TROOP PLANS COMING EVENTS

Senior Girl Scout Troop 224, sponsored by the Nameoki Presbyterian Church, held its initial meeting Tuesday evening at the church.

An election was held and those elected were Debbie Saywell and Solomna Brister, patrol leaders; Merle Willis, secretary; Kathy McDonald, treasurer; and Danna Harris, reporter. Marilyn Bondegard and Lauren Stagle are to be representatives at the planning board session.

Tentative plans were made to have a car wash Oct. 10, with proceeds to be used for a proposed trip to Washington, D. C., in 1965.

A discussion was held on a hobo supper planned for Oct. 31. Merle Willis reported on a recent district senior campout held at Cedar Lake, and the guest speaker was a Girl Scout leader visiting here from Rhode Island.

The next regular meeting will be held at the church Oct. 6.

Others present were Barbara Barton, Marie Burgess, Nancy Benson, Janet Line, Jo Ann Elberg and Mrs. Mary Kay Stiegle, troop advisor.

VISIT IN MISSOURI

Bridge Earnings Up \$104,630; Madison Awards Walk Work

The Madison city council awarded the 1964 sidewalk program contract to the A. H. Seebold Trucking & Excavating Co. Tuesday night on a low bid of \$12,492 and accepted an audit showing that net income of the Chain of Rocks Bridge was \$104,630 greater for the fiscal year ending April 30 than for the year before.

General Contracting Co. bid \$12,910, and G. H. Sternberg & Co. bid \$13,161 on the sidewalk project. The work is to be completed not later than 50 calendar days after signing of the contract.

Net bridge income was \$470,520, compared to \$365,890 for the previous year, according to an annual audit accepted by the council. Mayor Stephen Maers noted that all bonds on the bridge will be retired as of Dec. 1, and that the city's general fund will no longer receive its annual \$100,000 "nest-egg" from bridge revenues.

The audit showed total income at \$738,490, compared to \$655,918 the year before, with total operating expenses of \$259,444, compared to \$382,152 the year before, and bond interest of \$8525, compared to \$162,262 the year before.

Income included \$691,075 in toll revenues, compared to \$618,017 the year before, and \$40,405 from interest on investments of surplus funds, compared to \$30,867 the year before.

Operate as Local Bridge

The mayor said the city will try to operate the span as a local bridge, probably with lower fares, principally to maintain employment for Madison residents for the bridge, he added, but they would not require employees.

With fewer employees required for a local bridge, the mayor said he hopes some of the younger men on the payroll will be employed by new industry the city is attempting to attract to its new industrial park. He said new inquiries are being received every week from industries, but no agreements have been reached yet.

The council also accepted an annual audit of city accounts for the fiscal year ending last April 30, listing figures identical to those in a report published earlier.

The mayor and council appointed Mrs. Lena Williams, 1638 Sixth street, to the Madison public library board to succeed Mrs. Laura Vitters, who has moved to Edwardsville.

McCambridge Improvement
The state highway division approved a \$40,000 motor fuel tax appropriation for improvement of McCambridge avenue from Edwardsville road to 14th street on condition the pavement is 22 feet wide and has curbs on the east side and that a no-parking ordinance is passed.

Mayor Maers said the conditions could be met, though curbs had not been planned pending further widening to 40 feet in the future. Plans and specifications are to be submitted to the state, and the city should be ready to accept bids by its Oct. 13 meeting, with work to start this year. On the same date, the city may accept bids for catch basins on Washington avenue.

The council passed a resolution requesting \$53,524 of motor fuel tax funds for its 1964 MFT maintenance contract. Aid also is to be sought from the state to seal tracks on Madison avenue, which will cost more than the annual \$350 allotted to the city by the state each year to maintain Madison avenue.

Increase Light Power
The council was informed that Illinois Power Co. will increase power of two street lights on Farish street near Madison high school from 4000 to 10,000 lumens at an extra cost of \$24 per year, and that increasing power in street lights in other parts of the city is under consideration where it will not inconvenience residents.

Street lights in the 800 block of Bissell street, needed because of heavy traffic from the south gate of the Army Depot, and at 411 Second street at the alley, were approved by the council.

Mayor Maers reported that fogging in the mosquito-control program has been stepped up during the last three or four weeks because of a possibility of a spread of sleeping sickness. He said it costs the city \$500 to \$600 to cover the city each time, but that it is worth it as a disease preventive.

St. Ann's Society of St. Mary's Church was granted permission to hold a rummage sale at 306 Madison avenue Oct. 17.

Vandals Damage Vacant House on Cleveland Blvd.

Vandals damaged a vacant house at 2243 Cleveland blvd. by throwing eggs on the living room walls, pouring soapy water on the front door and tearing bricks off an asphalt in the yard. It was reported to police last night by Frank Kraus, 2921 Indiana avenue.

Kraus said four furnace registers were missing. Entrance was gained through a front window.

Vacation Trips Are Discussed

The Maude M. Tolleson class of Niedringhaus Memorial Methodist Church began its season Tuesday evening with a meeting in Wesley Hall. Mrs. Edith McCasland, president, was in charge.

The group gave highlights of summer vacations and refreshments were served to 28 members and the following guests: Rev. and Mrs. R. Paul Sims and daughters, Kathy and Carol, Mrs. B. L. Miller and a former member, Mrs. Ruby Bachtel of National City, Calif., who is visiting friends here.

"The Little Things" was the topic of the devotional service by Miss Cheryl Gibson. A gift of appreciation was given to Mrs. Ruth Johnston for aiding the class, and Mrs. Amy Prussman and Mrs. Johnston reported on the national Baraca Philanthropy convention which they attended the past summer in the east.

Hostesses were Mrs. McCasland, Mrs. Johnston, Miss Elva Miller, Mrs. Olga Tierney, Mrs. Norma Jean Chestman and Mrs. Grace Pinkston.

Nu Zeta Chapter Sets Rush Date

Nu Zeta Chapter of Beta Sigma Phi met last night in the home of Mrs. Janet Bogosian, 2008 Center street.

Names were submitted for rushing to be held in October, and plans were made for a ways and means project.

Mrs. Diane Korscag gave the program, "Introductions and Invitations," and Mrs. Mary Robinson discussed "your day socially."

A banquet course was served to Mrs. Gloria Mundy, Mrs. Diane Korscag, Mrs. Mary Robinson, Mrs. Barbara Johnston and Miss Dianne Sellers.

EIGHT AND FORTY MEET IN GODFREY

Madison County Salom 53 of the Eight and Forty met Tuesday evening at the home of Mrs. Adeline Drury in Godfrey with 13 members present.

The chaplain, Mrs. Violet Neunaber, conducted the meeting and reports were given. A birthday party was held and each member received a gift.

A donation was made to the departmental child welfare fund. Plans were discussed for installation of officers to be held Saturday evening at the American Legion Home in Alton.

Refreshments were served by the hostess. Attending from this area were Miss Dorothy Hinson and Mesdames Hazel Hinson, Norma Hillmer, Frances Cowley and Audress Brown. Next meeting will be at the home of Mrs. Neunaber of Bethalto.

MOTHERS OF TWINS TO ATTEND CONVENTION

The Mothers of Twins club met Monday evening in the home of the club's president, Mrs. Pearl Powderly, 4118 Stearns avenue. Plans were made for a trip to Decatur Oct. 17 to attend the state convention and workshop.

Prizes in the games were won by Mrs. James Swartz, Mrs. Elizabeth Niepert and Mrs. Jo Chinn.

Others to whom refreshments were served were Mesdames Sally Sladky, Pat Kent, Shirley Heath, Helen Rehagen, Pat Hartman and Melba Grady.

DORCAS CLASS

ELECTS MRS. HOBBS

The Dorcas Sunday school class of First Baptist Church Tuesday night for a covered dish lunch. The members arrived at the educational building of the church with dishes to be served.

Those seated were Rev. and Mrs. Kenneth McDaniel and Miss Nora Rogers, guests, and Mrs. James Bertie Hobbs, Jewel Balluff, Cora Little, Lucy Bond, Chloe Maxon, Nellie Politzek, Della Rogers and Minnie Perry.

Rev. McDaniel offered prayer prior to the meal. Mrs. Hobbs read the monthly devotion, followed by signing of cards to be sent to the ill.

Mrs. Hobbs was elected president, Mrs. Maxon vice-president and Mrs. Perry, secretary-treasurer. Mrs. Balluff will remain as teacher.

The next meeting will be held at the church in October.

LUNCHEON FOR CLUB

Mrs. Anna Mae Murphy was hostess to the Jolly Matrons club in her home, 1332 Edwardsville road, Tuesday.

Sternberg County Leader for Percy

G. H. Sternberg, 2622 Cleveland blvd., has been named City of Percy chairman in Madison county, it was announced today by Thomas J. Houser, Percy manager.

H. Percy, Republican candidate for governor, Sternberg is a Sewell, Tenn. resident in Granite City.

"The Citizens for Percy group will plan a large stock and the regular Republican organizations throughout the state and will play a vital part in Percy's campaign. Chuck Percy is going to win in November because of the enthusiastic support of men like Mr. Sternberg," Houser said.

"His leadership in Madison county will be a valuable contribution to the Percy march to victory on Nov. 3."

Citizen groups being established in all counties will contact service, civic and fraternal organizations to urge support of Percy.

Former President Dwight D. Eisenhower will launch "Percy 'On to Springfield'" campaign with a visit to the Chicago area Sept. 20.

Eisenhower will arrive in the morning and spend part of the day in Chicago before leaving for Springfield, Ill., where he is expected to attend.

YOUTH HURT IN PE GRID

Game, 6 Others Injured

A football game in a physical education class sent a Madison high school student to St. Elizabeth Hospital where he was admitted Tuesday, while six others were treated the same day for mishaps ranging from blows to the head to lacerations.

The student is Columbus Rogers, 16, son of John Rogers, 535 Ravenna street, Venice, who injured his right wrist in the football game.

Darryl Holdman, 6, son of Freddie Holdman, 4924 Willow lane, was hit in the forehead with a baseball bat, suffering a cut, and Larry Marsala, 11, son of Vincent Marsala, was hit in the head with a stick, receiving lacerations to the forehead and nose. Both were treated and released.

Kewth Bennington of 3144 Wayne avenue received 70 sutures after he ran his arm through a glass pane. He was treated and released. Some of the cuts were deep, the hospital said.

Patty Sanders, 3, daughter of Thomas Sanders, 2741 Birch avenue, received a stomach laceration after drinking an unknown amount of a medication containing antihistamines. She was released.

Frankie Hallenbeck, 12, son of Homer Hallenbeck, 1516 Madison street, Madison, was treated for abrasions to the left knee after falling from a bicycle, and Peggy Badgett, 18 months, daughter of Mr. and Mrs. Orville Badgett, 2004 Denver street, was treated for a dog bite to the right hand. Both were treated and released.

New Amsted Post For R. O. Tibbals

R. O. Tibbals, former works manager here, will serve as vice-president-manufacturing under new organizational set-up planned by the Chicago headquarters of American Steel Foundries, Inc.

ASF, presently composed of the Transportation Equipment and Iron and Steel divisions, will merge the principal functions of marketing, product engineering and research, manufacturing and administration under one group of officers including Tibbals.

Reporting to Tibbals will be works managers A. P. Steinhilber, Granite City, and R. L. Jones, East Chicago, Ind.

VFW Junior Girls Enroll Members

The Junior Girls Unit VFW Auxiliary 1300 met Tuesday evening in the Park Hotel. Bobby Rojas presided and 13 girls were present.

Five new members given pins were Patricia Kalpis, Patricia Davis, Susan, Joan and Rosemary Krawiec.

A ritual practice was held and plans were made to "work a day for J.P.K." with the proceeds to go to the Kennedy Memorial Library Fund.

The girls and their families are to attend a VFW picnic in Mt. Olive Sunday.

Plans were also made to make favors for Alton State Hospital, and for the Fifth District school of instruction in October. Toys are to be made and forwarded to the children in Dixon State Hospital for Christmas.

EVENING ETUDE CLUB OPENS NEW SEASON

An organization meeting of the Evening Etude Music Club was held last night in the home of Mrs. Jule Bartels on Delmar avenue and new officers were installed informally. Miss Elsie Mayhew was elected vice-president to replace Mrs. Lowell Griffith, who has moved to Decatur.

Attending were Mrs. James Harsh, president; Mrs. L. Rich and Yeager, secretary-treasurer; Mrs. Stanley Young, retiring president; Mrs. Glen Rehagen, retiring secretary-treasurer; Mrs. Nelson Hediger, Miss Rosemary Kabarek and the hostess.

GUEST SPEAKER AT DEMO WOMEN'S CLUB

A meeting of the Democratic Women's Club was held at the Rose Bowl last night with Atty. George Moran, a candidate for appellate judge as guest speaker.

He reported on the registration drive and on the Democratic platform.

Mrs. Peggy Burch, brother, who was in charge, read the new by-laws and the club volunteered to assist in the United Fund drive.

The treasurer's report was given by Mrs. Ethel Zimmer for 30 members.

Nameoki PTA Opens Season, Honors Teachers, Officers

The initial PTA meeting of the new school year was held Tuesday evening at Nameoki school with Mrs. Carol Morz offering the opening prayer.

During a business session, William Voss was elected treasurer replacing Chli Horne, who resigned. Plans were made for representatives to attend the annual Area Council pot luck dinner to be held on Sept. 24 at Niedringhaus school.

Faculty members were introduced by Principals Donald Kopp and the PTA officers were recognized during the meeting including a district PTA session on Sept. 27 at St. John United Church of Christ and a room mothers' meeting last night on Sept. 24 at the school.

William Austin spoke on the scouting program and urged parents to assist in organizing troops and working with the

Man Hurt Seriously, Cut by Two Men

Venice police today were conducting an investigation of a fight in which Walter Creek, 32, of 1437 Madison avenue, was injured seriously early Wednesday morning. Creek was reported to be improving today.

Police said they were called to St. Elizabeth hospital at 12:30 a.m. Wednesday to treat Creek, who had gone to the emergency room for treatment. Creek was cut behind the right ear, on the back of the neck, and on the left arm.

Police found blood on the back of the neck and on the house, along with a number of broken bottles. Creek had lost considerable blood and was in weakened condition when he appeared at the hospital for help, officers said.

Frank Hesler Dies At Lima, O., Home

Frank Hesler, 67, a former Granite City resident, died suddenly this morning at his home in Lima, Ohio. He lived in Granite City about 40 years before moving to Ohio 20 years ago.

While living here, he was employed at the American Steel Foundries, and in Ohio, he worked for the Ohio Steel Co. He was a well-known amateur tennis player in his youth.

Survivors include two daughters, Mrs. Marshall Schroeder of Granite City and Mrs. Hoppe of Edwardsville, and a son, Frank Hesler Jr., of Lima. His wife died last year.

Mr. Hesler was a member of the Elks Club, the Masonic Order and the Christian Science Church in Granite City. Funeral services will be Saturday at a Lima funeral home.

Three Youngsters Hurt In Mishaps Yesterday

Three youngsters involved in minor accidents were given treatment Wednesday at St. Elizabeth hospital. Janice Whitford, 10, daughter of Mr. and Mrs. Clarence Whitford, 2800 West 22nd street, underwent x-rays after she fell at home, injuring her head and arm.

Suffering from scalp lacerations were Danny Guntzel, 4, son of Orville Guntzel, 2002 Harris street, Madison, who was struck with a glass bottle, and Carol Jo Epanek, 2, of 1856 Second street, Madison, who fell striking her forehead. All were released following treatment.

Local Couple Wins \$1000 In Pick-A-Winner Contest

A Granite City couple won a \$1000 prize from the Tri-City Grocery Co. in the firm's pick-a-winner contest. Their cashed had 1000 award designation when it was opened at the Belleme Village Tri-City store.

The couple, Mr. and Mrs. Walter Jones, 2120 East 24th St., was shopping at the store and were given announcement of the cash award by Larry King, an employee.

Henshaw Family Moving

Mr. and Mrs. Cecil Henshaw and their three children, 2340 Orville avenue, will move Sept. 24 to Oglin, Mo., where he will be employed on the Harding International Supply Co. sales staff. He has been in charge of work for the Missouri Equipment Co., St. Louis. The Henshaws will hold open house for friends next Monday, Tuesday and Wednesday.

Ages Reversed

Ages of Mr. and Mrs. William Dagon were reversed in a marriage license article Monday.

MORE ABOUT GC School Bond

(Continued from page 1.)

\$85,350 from G. H. Sternberg and \$88,500 from M. H. Wolfe.

The bids were referred to the administrative staff and Architect Virgil H. Dulgoff for study and recommendations.

Since the bond issue includes only \$80,000 for the projects, efforts may be made to reduce the scope of the work.

Budget, Levy Figures

Adhering to tentative figures announced last month, the board budgeted \$5,074,031 for education, \$315,934 for transportation, \$276,222 for health, \$14,190 for new bonds and interest, \$85,500 for transportation, \$58,841 and \$88,190 for municipal retirement, up \$14,190.

Taxes were set at \$3,058,433 for education, down \$241,753; \$436,920 for building, down \$32,130; \$433,222 for bonds, up \$14,190; \$334,954 for transportation, down \$276,222; \$88,190 for health, up \$14,190; and \$228,321 for new bonds and interest, up \$228,321.

It was noted that only one person, Homer Johnson, chairman of the board, had inspected the budget during the month it was drafted. Board members Monday night, however, were informed, asked questions relating to a floor replacement allocation, transportation costs and accounting procedures. Several board members defended the costs from the standpoint of public safety.

Parrot Echoes Newsboys, Sings in Spanish

A talkative parrot that likes to sing—and does a pretty complete job on the lyrics—is a rare object, indeed!

But imagine one that sells newspapers and also sings gustily—in Spanish.

That is the accomplishment of "Cho-Cho," a yellow-top parrot who moved into the family of Mrs. and Mr. Jaime, 1643 Spruce street, about seven years ago when they bought him for a few pesos while on a vacation trip in Mexico.

Since then "Cho-Cho" has endeavored himself so firmly in the hearts of the Jaime family that he just about rules the roost—at least his own—with well chosen words of distinct announcement.

Favors Press-Record

Among Cho-Cho's favorite pronouncements are the words "Press-Record," which Mrs. Jaime explains were at first picked up at random by the bird when he heard newsboys shouting the name of the paper as they passed the Jaime home. With a bit of help from the two Jaime daughters, Mary Louise, 14, and Rosie, 10, who kept repeating the words for him, Cho-Cho learned that it became one of his pet phrases which he is likely to use at any time.

His echoing of a newsboy's calls brings the Jaime neighbors out of their homes on Monday's Thursdays.

The ability to pick up and speak with clarity almost any phrase that he hears is one of the parrot's only attributes. He sings and—as already mentioned—both Mr. and Mrs. Jaime are of Mexican descent and both

know the Spanish language, Mrs. Jaime said her husband has worked with the bird and taught him several songs which he can get through quite well in the Spanish language.

Updolls Reputation

Mrs. Jaime explained that the yellow-top parrot is known as the best breed of talking parrot, and that Cho-Cho certainly has lived up to this reputation.

But there's still more. After Cho-Cho sings his Mexican song in understandable Spanish—and calls out "Press-Record" for you, he will go into a hopping good dance as an encore, and then to proclaim his friendship will lift his claw to shake hands.

TALKATIVE PARROT is "Cho-Cho," owned by Mr. and Mrs. Philip Jaime, 1643 Spruce street. Cho-Cho, a yellow-top Mexican bird, reputed to be the best talker, includes in his repertoire the words "Press-Record" which he uses frequently, particularly when prompted by the calls from newsboys in his neighborhood. The bird is perched on the shoulder of Mrs. Jaime, who also has taught Cho-Cho to sing—in Spanish.

10-Room Home Planned At 27th and Benton

A 10-room contemporary, one-level home is being erected on a 125-foot lot at 27th and Benton streets by Mr. and Mrs. James Todoroff, who now reside at 2301 Delmar avenue.

Because the new house will contain two identical units with three bathrooms, a duplex zoning classification was required. Having with the Todoroffs will be their son, R. D. Todoroff, instrumental music director at Coolidge high school, and Eugene Alassi, art director for the school district.

The brick house will have a full basement and 82-foot frontage on Benton street. Alassi is aiding in its design. The building permit lists a cost of \$25,000.

The Todoroffs are seeking to sell their present two-story brick house with eight rooms and two baths and finished basement. Mr. James Todoroff has been confined to the first floor because of a leg amputation resulting from a stroke. The new house will have a number of special features, such as ramps.

Wm. Henley Elected To Top DeMolay Office

William Henley, a Granite City high school senior, was elected master counselor of the Granite City Chapter for the Order of DeMolay at a meeting Tuesday evening for the annual officer election.

Henley, son of Mr. and Mrs. Raymond Henley, 2540 Cleveland blvd., will serve for the first term of 1965. The officer installation will be held Oct. 20 at the Masonic Temple.

Other officers elected were James Rucker, senior counselor; David Cook, junior counselor; Michael Hogan, chaplain; and Roger Matthews, treasurer.

Cerebral Palsy Fund Drive Today Through Saturday

Several hundred volunteers are beginning today a three-day house-to-house drive in the Quad-Cities to solicit funds for cerebral palsy. Heading the local campaign is Mrs. James Garrison, 2414 Grand avenue.

The Garrison's 3½-year-old daughter, Jamie Lynn, a victim of the disease, has been selected Madison County Cerebral Palsy Poster Girl for this year's campaign which is being conducted county-wide this week.

Mrs. Garrison, who still is seeking volunteer workers, said all of the funds collected will remain in the county, being administered from the county Cerebral Palsy headquarters at Alton.

"We hope to average 12 cents per family in the Quad-Cities although no local goal has been established," Mrs. Garrison said. "Cerebral palsy is a term for a group of disorders caused by injury to cells in the brain, particularly in the motor center, and all of the causes are not yet known."

"It is neither contagious nor hereditary, but we do know that cerebral palsy can result from faulty development of the brain before birth, physical injury, prolonged high fever. It can happen to anyone at any time before, during or after birth."

10,000 New Cases Each Year
"It is estimated there are 350,000 cases in the United States and that every year about 10,000 babies are born with cerebral palsy."

She added that no two cases are exactly alike but the most common effects are awkward involuntary gait, lack of balance, guttural speech and grinning.

While there is no cure," Mrs. Garrison said, "cerebral palsy victims can be helped by professional experts trained in physical, occupational and speech therapy and specialists in psychology, orthopedics, pediatrics, surgery and education."

Funds are needed not only to aid the victims, but also for scientific research and for the training of professional personnel. "This for the present is the only solution," Mrs. Garrison added.

MADISON COUNTY CEREBRAL PALSY girl, little 3½-year-old Jamie Lynn Garrison, daughter of Mr. and Mrs. James Garrison, holding a canister similar to those being used today through Saturday in a county-wide fund-raising campaign. She is the Madison county poster girl for the drive.

Hikes, Excursion to Shawnee Forest Set

The old river town of Grand Tower on the Mississippi river, located about 90 miles south of Granite City, will be the center of a two-day program of auto drives, hikes and a train excursion into the Jackson Hollow wilderness, on Saturday and Sunday, Oct. 17 and 18.

On Saturday the public is invited to gather in Grand Tower which will be the focal point for auto drives and hikes. A special dinner will be served in the boarding house at 7 p.m. and a general get together will complete the evening. On Sunday an excursion train will start from the Illinois Central station in Belleville and will run 150 miles southward across the state.

After making its last stop for passengers at Benton, it will be switched on the Edgemont cut-off freight route and travel through the long tunnels into the Jackson Hollow wilderness. The train will stop for three hours for a sack lunch; and the Shawnee Scouts, an adult organization of more than 100 top outdoor men and women, will serve as guides. Excursion tickets may be purchased at any IC station. The excursion train will leave Belleville at 7 a.m. with the return scheduled for 6:30 p.m. at a cost of \$5.90. Subsequent stops will be made at Freeburg, New Athens, Pinckneyville, DuQuoin and Benton.

Merit Exams for State Positions Set Sept. 21

Gov. Otto Kerner has announced plans for a new program of itinerant recruiting and testing for state employment which will make it possible for residents of the Madison-St. Clair county area to apply for state positions and take merit examinations in East St. Louis one day each month.

Under the plan, representatives of the Illinois Department of Personnel will administer and score examinations at the East St. Louis Armory, 2811 State street, the third Monday of each month beginning Sept. 21. Application forms and counseling will be available at the Armory, and interested persons should report at 8:30 a.m.

The program of on-location testing is a service to both applicants and the employing agencies of the state, the governor said, designed as a special recruiting program to fill positions for which there is a shortage of qualified applicants, and to give interested individuals the opportunity to take merit examinations closer to home.

Examinations will be given in about 100 titles for both professional and non-technical positions. Many of them will be for professional and technical positions at state mental institutions.

New Manager Named At Chicago Title Co.

The appointment of L. Raymond Berger as manager of the Madison county office of Chicago Title & Trust Co., Edwardsville, was announced this week. He succeeds John A. Crook Jr., who will direct the firm's sales program in the state outside the Chicago area.

Berger has been with the firm since 1953 and has held posts in the title division as well as serving as employment administrator in the personnel department of the administrative division. He was appointed an assistant secretary in 1962. He is a graduate of the University of Illinois and obtained a law degree from John Marshall Law School in 1953. He received an MBA degree in 1962 from the University of Chicago executive program.

Crook will operate from the firm's Edwardsville office. He was placed in charge of that office in 1960.

Toastmasters to Meet Every Monday Evening

The Toastmasters Club opened its new season Monday evening with a dinner meeting at the Grand Cafe attended by eight members and a guest, John G. Pekarik, Henry Pechie, president, led a discussion of program planning for the year.

The members decided to meet each Wednesday evening at 6 p.m. and anyone interested in joining the group may make arrangements with Pechie. For Monday's meeting, the group discussed news articles taken from the Press-Record concerning fund drives and community affairs.

Man Pleads Guilty to 2 Charges, Fined on Others
Ronald Hastings, 26, of 4011 Kirkpatrick Homes, was fined \$25 and costs on a speeding charge and \$10 and costs on a stop sign charge and pleaded guilty to charges of reckless driving and driving without a driver's license.

The latter two charges were taken under advisement Monday by Magistrate Gasparovic who set a hearing for Sept. 30 and property bond at \$1000. Hastings was arrested at 3:25 a.m. Sunday at Wayne and Faith avenues.

Pleads Not Guilty
Bobby Duboise, 1926 Fifth street, East Madison, pleaded not guilty Monday to charges of leaving the scene of an accident and driving while intoxicated before Magistrate Gasparovic who set a property bond at \$1500. He was arrested about 7 p.m. Saturday and police charged him with being involved in a hit-and-run accident at 19th and State streets.

Two Autos Collide
A car driven by George R. Wylie of 2805 Edgewood avenue, struck the front of a car driven by Joanne Ewell of 3021 Willow avenue, at 2:35 p.m. Monday at Wilson and Marshall avenues.

HERE'S CHEVROLET'S LONG STRONG LINE OF

workpower TRUCKS FOR '65!

More models, more engines, more Chevy workpower!

The long strong line of Chevy trucks for '65 is rolling in with miles of new working equipment. Like that handsome Fleetside pickup that leads the pack... one of the 18 pickup models in the line this year.

Further along, you'll find economical Chevy-Vans, a wide selection of walk-in vans, a bigger choice of big trucks, more job-tailored components—trucks built to fit your business and budget. And under those hoods you'll find

the best in 4- and 6-cylinder, V8 and diesel power, 18 tough truck engines in all including 4 new low-cost diesels. Here's the huskiest bunch of haulers that ever came looking for work.

Our word for all this is workpower. That's the stuff that makes a truck a real truck. A hard-nosed money-saver. Yes, workpower's here and Chevy's got it. In such a variety of types and sizes that picking the best truck for your job will be easier than it's ever been before. If you're in the market, just get in touch with your dealer.

Two GCHS Girls Endorse Beatles As 'The Most'

(Editor's note: The following is an account of the reception supposed to be given to the Beatles by the teenagers are giving the Beatles, as told by Janet Gushleff, daughter of Mrs. Boris Gushleff, 3103 E. 10th road, and Robby Robertson, daughter of Mr. and Mrs. Randall Robertson, 2911 State street, who recently traveled to Chicago to watch a performance and tried to interview the British quartet.)

By JANET GUSHLEFF And ROBBY ROBERTSON

On our arrival in Chicago, we called the Associated Press who told us we would need police passes in order to get into the Beatles suite for our interview. The reason for the police passes was the close security guards keeping us from the Beatles.

The police informed us that it was almost completely impossible to get the interview but we could try. After calling, but not contacting several officials, we went to the city hall in regard to the police passes.

The city hall then informed us that the central headquarters could possibly help us. After calling them, we went to the amphitheater, were taken by policemen and escorted to a gate.

Girls Disappointed

The major examined our papers and passes and replied with a polite but firm, "No." I don't think we have ever been so disappointed in our lives after we had practically counted the hours and minutes till we would actually meet our four idols.

We must admit this is a calm way to report our visit to see the Beatles at the amphitheater in Chicago.

The show lasted for two hours. The first 90 minutes were filled in by various entertainers chosen by the Beatles themselves to help relax the audience, and the following 30 minutes were the Beatles themselves.

The Bill Black combo was the first to perform. They also provided the music for the other entertainers. After the combo came the Exciters, Clarence Henry and then Jackie DeShannon. There was then a long silence and everyone became restless for the audience knew the Beatles would be next.

Pandemonium reigned as what you've heard about the effect the Beatles give to teenagers is true. The teenagers at the concert reached an uncontrollable state. But how do you explain this pandemonium?

The Beatles walked out on the stage and the audience went wild. The girls jumped to their feet, screamed, waved their arms and the bulbs from the cameras flashed at a rate of 10 per second at the four living gods of Beatlemania.

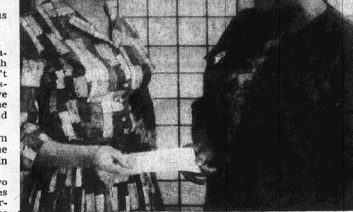

The screaming lasted throughout the performance, but the crowd died down as their spokesman, Beatle Paul McCartney, lifted his hand to signal the girls to pause for a breath and said, "Thank you very much, everybody, and good evening."

Beatle Program

That speech was followed by a tremendous applause and they then opened with "Twist and Shout" which was followed by "You Can't Do That." They swung into "She Loves You," the song famous for the "Yeah! Yeah! Yeah!" Next they sang "All My Loving."

Paul then stepped up to the microphone and requested that it might be a good idea for the audience to join in with hand-clapping, foot-stomping or little shouting.

Just the same time Beatle John was on the other side of the stage trying to clap his hands and stomp his feet which was

MISS JOAN WILLIAMS, who has been awarded the annual scholarship presented by the Madison Federation of Teachers Local 763. Presenting the check is Miss Addie Darden, local president. Miss Williams is a junior at Southwestern Illinois University at Alton.

Joan Williams Receives State Offering Aid To Draft-Resist Youths

Miss Joan Williams, daughter of Mr. and Mrs. Neuel Williams, 1638 Sixth street, Madison, has been awarded the annual scholarship presented by Madison Federation of Teachers Local 763 to outstanding prospective teachers.

Miss Williams, a 1962 graduate of Madison high school, is a needed to young men who fail to meet the requirements for military service because of educational or physical deficiencies.

Being last year's Selective Service boards throughout Illinois began referring to the State Employment Service all young men who were rejected by the Armed Forces examining stations because of low mental test scores.

The men were invited to contact employment service representatives for counseling with a view to receiving needed education, training or assistance in finding jobs.

Last June, 636 Illinois youths were found not qualified for military service because of low mental scores. About 69% of the unemployed, about 60% rejected to the employment service for physical reasons. They now will be referred to the Division of Vocational Rehabilitation which will offer them assistance in correcting physical deficiencies.

As an example, a youth recently rejected because of a hernia or other remediable defect may be given help in obtaining surgery if he cannot afford it himself. Participation in the program

very amusing. This was followed by "Can't Buy Me Love," "Roll Over Beethoven" and "Things We Said Today."

Ringo Sings
They then let drummer Ringo (who very seldom sings) sing "Boys," which is a favorite to all. Next they sang the title to their movie, "A Hard Day's Night" and "If I Fell." Paul then stated that their next song must be their last, and everyone seemed to groan as though they never wanted to leave, but the audience soon recovered as they sang their last number, "Long Tail Sally."

There were 15,000 persons inside the amphitheater and 5000 outside (95% girls).

If we would ever have the chance to see them again, we would definitely would not pass up the chance, and maybe we could this time meet them and get the interview for the paper.

Dance Lessons Set Venetian Yearbook Rates For 'Y's Jr. High High; Officers Elected Clubs During Fall

Dancing lessons every Wednesday evening followed by a tea-reception this week by the National School Yearbook Association, an organization which sponsors Y's Guys club programs at the colleges and high schools all over the United States.

The association interprets a tea-reception as being very good. From basic beginners dance lessons to the more intricate the dances as the continental, samba and cha cha. The class will be limited to 30 students to allow time for individual instruction.

A second class on Saturday afternoon will be considered if registration exceeds the limit.

While an informal atmosphere emphasizing a good time will be maintained, Mrs. Norman plans to include social graces in the form of correct ballroom etiquette—how to introduce people, be introduced and the correct manner of dress.

Lessons will be from 6 to 7 p.m. Wednesdays, and a reception planned for 7 to 7:30 p.m. The Teen Town lobby will be reserved strictly for junior high students during this period.

A club membership in a Junior Tri-Hi-Y or Junior Y's Guys is all that is necessary to participate. Registration may be made by phone or in person.

All club activities will begin Sept. 26, with the Teen Town lobby to be open on that Saturday afternoon to all junior high students in the area. The junior high program will be explained by Mrs. Bonnie Fuller, junior program director. Dancing games will be conducted. All organized Junior Tri-Hi-Y clubs will conduct their first meeting the same afternoon.

Classes, Clubs Elect
Classes and clubs have elected their officers for the school year (junior class officers were announced last week).

Senior class officers are Eddie Johnnie, president; Evie Ritz, vice-president; Diane Wilcox, secretary; Cathy Ochoa, treasurer; Dale Griffith, sergeant-at-arms; and student council representatives.

Named officers of the Future Homemakers of America chapter are Mary Jane Gray, president; Glenda Brown, vice-president; Barbara Kutz, secretary; Evie Ritz, treasurer; Mary Donno Scaturro, historian; and Bernice Koelker, recreation.

Junior Red Cross officers are Barbara Manier, president; Harry Cooper, vice-president; and Mary Donna Scaturro, secretary-treasurer.

New Members Selected
New members of the Junior Red Cross were elected by the officers from a list of freshmen who had signed their names to a list designating their interest in joining. They are Kathy Daniels, Cindy Bosworth, Russell Turner, Jim Miller and Tom McIntosh.

Also selected were a sophomore, Bob McIntosh; two juniors, Linda Seibert and Margaret Taylor, and a senior, James Turner, to replace members who dropped out of the club.

The student council elected Evie Ritz, one of three seniors on the council, as the new president.

Two Area Girls Enroll At Missouri Baptist

Miss Jacqueline Lee Holman, daughter of Mr. and Mrs. Charles Holman, 2909 Warren avenue, and Miss Louise Schofield, daughter of Mr. and Mrs. Frances Schofield, 1670 Second street, Madison, are enrolled in the freshman class of Missouri Baptist Hospital school of nursing, St. Louis.

They are among 59 new students registered for the first year of the three-year course. Miss Holman is a Granite City high school graduate and Miss Schofield is a Madison high school graduate.

It is voluntary. A youth must give his written consent to his Selective Service board before the board can release information on the program to aid men rejected for physical reasons. They now will be referred to the Division of Vocational Rehabilitation which will offer them assistance in correcting physical deficiencies.

Ilinois is leading in this program which is a part of the nationwide effort to improve the morale of the nation's manpower.

Miss Kowalski Spending Year in Rome to Study

Miss Mary Jean Kowalski, younger daughter of Mr. and Mrs. Edward Kowalski, 507 Town Street, Madison, was among a group of 250 students from 50 colleges and universities all over the United States who flew from O'Hare airport in Chicago to Rome, Italy, early this month.

Miss Kowalski, working toward an A.B. degree in history at Loyola University, will spend her junior year of college in Rome studying at Loyola University's School of Humanistic Studies.

On Labor Day she was among a group of students granted an audience with Pope Paul at Castel Gandolfo, his summer residence outside Rome. She will return to the Quad-City area next summer. Miss Kowalski is a graduate of St. Mary's parochial school in Madison and St. Teresa Academy in East St. Louis.

Another daughter of the Kowalskis, Leona Ann, was graduated from the college of St. Francis in Joliet last May and has begun graduate studies at the University of Illinois this fall.

Student Enrollment Increasing at SIU

New student enrollment for the fall quarter at Southern Illinois University's Carbondale campus is running more than 800 ahead of that at the same time last year, according to Leslie J. Chamberlin, director of admissions.

Chamberlin said advance enrollment figures compiled through Sept. 1 show 5345 new students. Included are 5880 entering freshmen, 571 more than last year.

SIU Registrar Robert A. McGrath said that 1964 summer quarter enrollment figures seem to indicate the university is now experiencing the first of "an anticipated groundswell of freshmen students."

He said a numerical increase of 423 freshmen this summer day afternoon, then will provide more than double that of a transportation for new students year ago. Of 5380 resident students to attend church services at both the Carbondale and Quad-Cities-Edwardsville the evening.

Since 1960, SIU has limited a fall term freshmen enrollment at 5:30 p.m., followed by an orientation session to acquaint in the top two-thirds of their new students with the four classes and out-of-state students' daton's activities.

The Student Christian Foundation, an interdenominational winter, spring or summer group, also will hold a buffet supper and "open house" hour at 6 p.m. Sunday.

BEST POSTER in the 20th annual national "employ the handicapped" downstate contest was entered by Terry Van [Inset], a Granite City high school student. He also won the local contest sponsored by Disabled American Veterans Chapter 53. Shown with the poster after it was judged in the state contest are, left to right—Howard West, Veterans Employment Service representative; J. Henry Wolf, state DAV commander; Nelda Koonitz, DAV Auxiliary state commander, and Walter E. Parker, superintendent of the Illinois State Employment Service.

Terry Van Poster Named DAV Winner In Downstate

Terry Van, 17, son of Mr. and Mrs. A. Louis Van, 38 Villa paid trip to Chicago as the drive, has won first prize in the downstate division of the "Hire the Handicapped" poster contest sponsored by the Disabled American Veterans. It was announced today by Paul Cooper, commander of local DAV Chapter 53, and Malcolm Thompson, manager of the local office of the Illinois State Employment Service.

The prize is a one-year scholarship to an accredited art school or \$150 in U.S. savings bonds. Van currently is a freshman at Murray State College, Murray, Ky., and is majoring in music. He was graduated from Granite City high school last June.

The youth and a chaperon also would be eligible for an expense-free trip to Chicago as the guests of the DAV on Oct. 6-8. His father said he probably would be unable to leave school to make the trip.

Van was the winner of the high school division in the local contest sponsored by the DAV chapter here and advanced to one of three final division contests in the state. Last spring he won a local safety poster contest and a \$50 bond.

Other Local Honors
Durrell Grindstaff, 14, of 2802 Marshall avenue, who won the local junior high school contest, received honorable mention and a \$25 savings bond in the downstate contest. He was a student at Coolidge junior high school at the time.

Receiving special recognition mention, judges in the local contest in the downstate contest were test were William F. Hoelscher, Barry Lewis, 17, of 4201 Rode and Elmer Gruen.

Peace Corps Volunteers Leave SIU for Africa

First Peace Corps volunteers trained at Southern Illinois University for work in developing countries were to leave today from New York for Niger and Senegal in Africa after spending the last week at home.

Of a total of 91 who on June 19 began intensive instruction that put them through a program lasting 12 hours a day, six days a week, 72 finished the course. They will spend 21 months in Africa.

Graduates were taught to speak French and the native languages of Hausa and Wolof, spoken in Niger and Senegal respectively. They received training in agriculture, social work, rural construction and public health and physical education. Most of the instruction was handled by SIU faculty members.

Two other groups of Peace Corps trainees are now undergoing training at Southern. Arriving late in August were groups that will go into Honduras to aid in community development work, and into Tunisia to teach English as a foreign language and instruct Tunisian school children in recreation. These groups will complete their work by mid-November.

GAA Holds Parties For 9th Grade Girls

The Girls Athletic Association at Granite City high school began its fall activities with back-to-school parties for ninth grade girls at Coolidge and Prather junior high schools who are interested in joining GAA.

Princeton Residents Want Drainage Relief

Residents along Princeton avenue, in the Lueders Park Estates subdivision, are becoming increasingly alarmed over continued delay on the part of the city and the subdivider in correcting a drainage problem there.

The street, located in one of Granite City's finer subdivisions with correspondingly high assessed valuations, has been plagued with every rain, according to the residents. The water ponds on the "alley" easement strip, flowing onto it and Princeton avenue back yards from higher ground on the other side of the easement.

Concern over these stagnant pools of water has been increased by reports from Alton and other sections of Illinois of a growing number of sleeping sickness cases, including two deaths, attributable to disease-carrying mosquitoes.

There is no underground drainage in the easement strip but discussions with the city and the subdivider last spring ended in a decision to grade the easement so that water would run to a sewer at the end of the block, one home owner reported. He added, however, that nothing has been done since the residents were advised of this drainage plan in a letter from the city dated last April 17, following council approval April 6.

Feasibility of the grading proposal has been questioned due to the difference in the yard levels on each side of the easement, and installation of underground pipe has been suggested as an alternate method of correction, if necessary.

W. W. Bassett

Boy! Did Bill Bassett

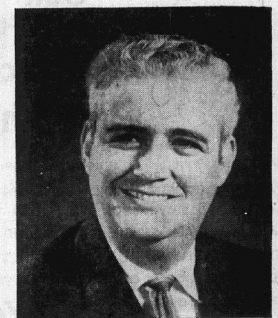

ever give John the business!

And now John Bassett is your new Ohio National Life General Agent

No, father and son have not fallen out. They have just gone through one of the most exciting transitions in the business world—when a father turns over the reins to his son. And, with the Bassetts, it's a case of two extremely qualified life insurance men switching roles.

As most of you know, Bill Bassett has served you for many years as an Ohio National Life general agent. Served you well. Now, while he's still young enough to enjoy it, he wants to see his son, John, carry on the Bassett tradition of professional excellence. Is Bill tossing in the towel? Heavens no! He's going to continue to serve you as he always has. But now John's the big boss.

When it comes to seeing that your family's future security is solidly planned for, we heartily recommend that you get in touch with either of the Bassetts. You'll be glad you did.

help... THAT'S WHAT YOU GET PLENTY OF WITH YOUR TELEPHONE

Your phone makes it so easy to get things done. Calls to order things, to find out things, to tell the news, to organize activities—or you name it.

The busier you are, the more helpful the telephone is. Day in and day out, your phone is an important part of your busy life.

When you stop to think about it, is there really anything else that helps you so much for so little? Or that is of so much personal value?

Tandem Bike to be Jaycee 'Rodeo' Prize

A lucky youngster will be the winner Saturday of a "bicycle built for two," a tandem bike valued at \$130 that will be awarded as a grand prize to climax the first annual "bike rodeo" sponsored by the Granite City Junior Chamber of Commerce and the Bellefonte Village Shopping Center. The affair to promote bicycle safety and fun will begin at 10 a.m. on the shopping center parking lot next to the Tri-City store.

Children from six to 16 years old will be eligible to enter the rodeo which will be conducted in three divisions: midlets (six through eight), juniors (nine through 13) and intermediates (14 through 16). First and second place prizes will be awarded in each division and the tandem bike will be the grand prize with all entrants eligible. Judging will be based on the best decorated bike, the silliest looking bike and on

scoring on an obstacle course. Youngsters may obtain entry blanks at any of the schools in the Granite City district and are available at any store at the shopping center. They also will be available from Jaycees at the rodeo. Free samples of ice cream cones, potato chips and soda will be available to the entrants and spectators, according to Alvin Barnes, chairman of the program.

Daughter Born To McNeillys

Mr. and Mrs. Roger McNeilly, 2336 Washington avenue, are the proud parents of their first child, a daughter, born this week at St. Elizabeth Hospital. The infant, whose weight was nine pounds, four ounces, has been named Elizabeth Ann. Mrs. McNeilly is the former Judith Graham, a daughter of Mr. and Mrs. Roy A. Graham, 2440 State street. The paternal grandparents are Mr. and Mrs. Alvin McNeilly of Mt. Olive.

Missionary Speaker Sunday at 1st Assembly

The Rev. Charles E. Greenaway, resident secretary for the Assemblies of God in Europe, will speak at 7:30 p.m. Sunday at First Assembly of God Church on Grand avenue. It was announced today by the pastor, Rev. J. Boyd Wolverton, who said the public is invited to attend.

Rev. Greenaway began his overseas ministry in 1944 when he and his wife were appointed to the Ivory Coast, where they engaged in an evangelistic ministry, built a mission station and established a school for girls. In 1949 he went to Togo-Dahomey, West Africa, where he served one term as field superintendent and was principal of the national workers training center at Natitingou for three years. He also opened a mission station in Tangueti and several outstations among the five primitive tribes of that area.

GUEST SPEAKER. The Rev. Charles E. Greenaway, resident secretary for the Assemblies of God in Europe, will be guest speaker at 7:30 p.m. Sunday at First Assembly of God Church on Grand avenue.

SHADOW OF DOUBT
There will be more neighborliness among nations when the light of happiness is not shut out by the shadow of suspicion.

Youngsters Injured In Playtime Mishaps

Playtime mishaps were among emergency cases requiring treatment Monday afternoon at St. Elizabeth Hospital. Keith Greenway, 10, son of Mr. and Mrs. James Greenlee, 1213 West Ponton road, bumped heads with a playmate and was kept at the hospital for observation.

Dean Adams, 15, grandson of Leonard Cottrell, 2805 Pershing avenue, injured his left leg while playing football and received outpatient treatment. Donna Hunter, 13, daughter of Mrs. Ollie Thompson, Rural Route One, cut her left foot instead when she stepped on glass. Mrs. Mary Carpenter, 3108 Edgewood drive, required treatment after catching her right hand in a wringer; and Mrs. Betty Harris, 2010a Missouri avenue, suffered injuries to her left elbow and arm in a fall down a flight of 17 wooden steps.

4 Dog Obedience Classes Scheduled

Four dog obedience classes are being formed by the Granite City park district and dog owners may register by calling the park office, TR 7-3059. The first classes will be Sept. 28 and Oct. 1. The classes will be held at 6:30 p.m. and 7:30 p.m. Monday and Tuesday at the Wilson Park garage. There will be a limit of 15 dogs per class. Dogs must be six months or older and owners must use a leather obedience leash with a choke-chain collar. The classes are for park district residents only.

Train, Auto Collide

Paul Luster, 35, of 1209 North Market street, Venice, escaped injury at 12:45 a.m. Tuesday when his auto collided with an Illinois Terminal Railroad locomotive at the west end of the McKinley bridge structure in Venice. Luster's car was damaged extensively. Luster was headed east and the locomotive was moving west when the collision occurred. A. J. Brown, Alton, was the train engineer.

Mrs. Stella Higgins Rites Held Monday

Funeral services were held Monday at 10 a.m. in the Nidrahnus Methodist church for Mrs. Stella Higgins, 80, of 2923 Iowa street, who died Friday at 10:30 a.m. in St. Elizabeth Hospital. She had been ill a month. Mrs. Higgins was a native of Wanda, Ill., and had been a resident of Granite City for 20 years. She was a member of the Nidrahnus Methodist church, OES 422, and Gabrielle White Shrine 78. Her husband, Lester, preceded her in death in 1945. She leaves a son, Dale Higgins, of Granite City; a brother, John Grotjohm of Granite City, and a sister, Mrs. Effie Schroeder, St. Louis. Interment was in Sunset Hill Cemetery in Edwardsville township.

Airman Thomas McGowan On Duty in England

Airman First Class Thomas R. McGowan, a son of Mr. and Mrs. Floyd McGowan, 2944 Marshall avenue, has arrived for duty with a unit of the U.S. Air Forces in Europe (USAFE) at Woodbridge RAF Station, England. Airman McGowan, a graduate of the Granite City high school, previously served at Viet Nam. His new unit supports the USAFE mission providing the major air contribution for defense of the NATO countries.

Completes Naval Training

Richard V. Jasudowicz, 19, a son of Mike Jasudowicz, 1813 Fifth street, Madison, recently completed basic training at the Naval Training Center, Great Lakes, Ill. The training included naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

Passes Crossing Gates

Leon Stoutt, 33 Kaseberg lane, Platoon Beach, was arrested at 6:35 a.m. Tuesday on a charge of passing railroad signal gates at 19th street and the railroad tracks. He was released at 7:20 a.m. upon posting his driver's license as bail.

Article on Banking By Hoener in Magazine

An article by Gordon J. Hoener, public relations officer for Granite City Trust and Savings Bank, appears in this month's issue of Burroughs Clearing House, an international magazine for financial executives. Hoener's subject is the "Marketing Concept in Banking." In his article, he defines the marketing concept and points out the necessity for gearing bank operations to suit the needs of the customers. He goes on to explain the approaches that banks can use to achieve total marketing.

Stolen Car Found

A 1957 auto stolen in Wood River from Robert Marshall was located at the road leading to the Chain of Rocks locks at 4:45 a.m. Monday after a passerby saw two persons running from the scene. Granite City police learned that it was stolen upon hearing a radio message from Wood River police. The owner was notified.

School Enrollment at 13,367, Kindergarten Groups Revised

Enrollment has reached 13,367, close to advance estimates, Supt. Russell D. Johnson reported to the Granite City school board Monday night.

Included are 2,597 at Granite City high school, junior high school totals are 1,557 at Coalidge, 835 at Prather and 593 at Central.

Elementary school enrollments are: Emerson 380, Frohardt 845, Lake 395, Logan 386, Logan annex 98, McKinley 435, Marshall 585, Maryville 664, Mitchell 708, Nameoki 620, Niedringhaus 436, Stallings 301, Washington 612, Webster 521 and Wilson, 601.

With 101 at Marshall and 95 at Nameoki, each of those schools has been reduced from

four to three kindergarten classes. A third kindergarten class has been added at Webster, where there are 86 youngsters, and at fourth at Maryville, where there are 128 kindergarten pupils.

1693 Ninth Graders

A breakdown of the 13,367 shows 1,254 in kindergarten, 1,170 first grade, 1,123 second grade, 1,148 third, 1,022 fourth, 1,035 fifth, 992 sixth, 987 seventh, 965 eighth, 1,065 ninth, 969 tenth, 806 eleventh and 722 twelfth grade students.

The school board hired Mrs. Jeanne Liverne Sims, 3204 Harvard drive, a teacher three years with a bachelor degree from Queens College, Charlotte, N. C., as a Washington school second grade instructor.

Miss Jo Ann Hoshin, East St. Louis, who will receive a bachelor degree in December from Southern Illinois University, was hired as an elementary teacher effective after the December quarter ends at SIU.

Resignations were accepted from Miss Pat Marcum, who had been hired as a girls' counselor, and Miss Sarah Sarantus, who had been employed for the Washington school faculty.

A leave of absence due to illness was granted to Mrs. Jen-

nie E. Moody, 2663 East 24th street, Emerson cafeteria employee, and an extension was granted on the leave of Mrs. Marvel M. Clover, 4024 Maryville road, a cafeteria worker. A leave was denied to Miss Diane Nocheff, 2848 Grand avenue, a Marshall third grade teacher last year.

Second School Laborer

Howard Earney, 2874 Ralph street, was hired as a laborer on the school district maintenance staff. He is the second member of Laborers' Local 397 to be employed, and this is the same number hired from other craft unions.

Employment of Earney was retroactive to Sept. 1. Supt.

Johnson said a custodian union officer had assumed that a laborer was to be added June 1 and made a strike threat during the summer, later withdrawing it.

Three school board members who took part in craft union contract negotiations said hiring of the laborer was not a direct part of the talks, but that they had indicated one would be hired when needed; a late summer estimate was given on when the need was most likely to occur.

"Reasonable crossovers" with out jurisdictional disputes between the various crafts have been promised, the board was told Monday night.

Wood River and Belleville requests to make live broadcasts of high school football games were rejected on the recommen-

dation of Supt. Johnson, GCHS Principal Lawrence McCauley and Athletic Director Richard Yates, all of whom said they reduce gate receipts. The vote was 6-1, with Robert Spengler dissenting. Taping by Wgtn was authorized. President Daniel Linder urged that a decision be made on each request rather than a blanket ruling, such as a ban on live broadcasts within 100 miles.

A magazine, "People," published in East Alton, was denied permission to work through the high school and junior highs in securing pictures of school activities. Charging \$4 for 12 issues and selling advertisements, the publication was branded by Supt. Johnson as a promotional venture rather than an educational asset.

3 Area Designates Win Honor Degrees

Three Quad-City men were among five designates to receive Legion of Honor degrees conferred by the Egyptian Preceptory, Legion of Honor, at a public investiture at the Scottish Rite temple, East St. Louis, it was announced this week.

Those who received degrees included Jon Tarpoff, 41 Terrace Lane, and Walter J. Skunk of East St. Louis, receiving the Legion of Honor award; and Charles Chapman, 2337 Center street; Claude Echols, 1435 Fourth street, Madison, and Uher Armistead of East St. Louis, receiving the honorary Legion of Honor award.

The Legion of Honor degree, commonly referred to as the 33rd degree of DeMolay, is awarded to majority DeMolays who have attained outstanding achievement in their chosen profession. The award averages about one to each 500 DeMolays, and brings the membership of the Granite City Legion of Honor to 35. The honorary Legion of Honor degree is conferred upon men who were not DeMolay members but have conferred extensive aid to the organization.

Among members of the degree team performing the investiture were William J. Mehl of Granite City as commander of the west, Chapman and Echols are advisors in the Granite City Order of DeMolay. Gilbert Watson of Granite City is vice dean of the Egyptian Preceptory.

The 36 members of the Granite City Legion of Honor include: William L. Mehl, James Stuart, George Slattery, Gilbert Watson, C. E. Townsend, Raymond Henley, Fred Riddle, Charles A. Meyer, Randall Robertson, Raymond O. Duncan, Thomas Studebaker, David John, Wensel Brown, Alfred Gohliert, Ernest E. Viehl, Gene H. Sternberg.

James Barry Stuart, Everett Steele, Ellis Hackney Jr., Samuel Meyer, George E. Lubanski, Ernest "Pat" Rich, Irvy Todd, Dr. Daniel Cariss, Roland Kennedy, John Belloff, Dr. Irvin Wiseman, Marlyn Kruschek, Roy Wilimzie, Charles Voss, Chester A. McMillan, Howard Robertson, William Buehne, Jon Tarpoff, Charles Chapman and Claude Echols.

Clinic to Open Friday

HAND PUPPET proves amusing to little Victoria Lynn Burgener, daughter of Mr. and Mrs. William Burgener, 629 Lincoln avenue, Venice, as Mrs. Ruth Rankin, 511 Washington avenue, does the entertaining. Mrs. Rankin is president of the Junior Service club of Venice which will provide volunteer assistants for operation of the new speech therapy center to open on a one-day-per-week basis Friday.

ARRANGEMENTS to open a new Quad-City area speech therapy center in the newly constructed Venice library addition are checked by Francis Dant (left), and Charles Thurber, center, area members of the board of the Easter Seal Society which will sponsor the treatment center. At right is Frank DeWitt, Venice chief of police and president of the Venice library board which arranged use of the library addition as location of the center. Robert Moske, other area member of the society board, was not present when the photograph was taken.

Free Speech—Fair Trial Symposium Set

Dick H. Mudge, state's attorney of Madison county, and Burton C. Bernard, Granite City, assistant state's attorney, will take part Thursday, Sept. 24, in a symposium on the subject of "Free Speech—Fair Trial." The event will be held at the Sunset Hill Holiday Inn, beginning at 8 p.m. under sponsorship of the Madison County Bar Association.

Other participants will be Milburn P. Akers, editor of the Chicago Sun-Times; Spencer Allen, St. Louis television news director; Irving Dillard of Collinsville, professor of journalism at Princeton University, and Emerson Baetz, Alton attorney. Harry C. Armstrong, president of the bar association, said the symposium has grown out of recent concern of members of the press and of the bar regarding possible conflict between the two fundamental principles of free speech protected by the First Amendment, and the right to a fair trial protected by the Sixth Amendment to the constitution. It will be the third in a series of public presentations which the bar association has sponsored during the past ten years. Armstrong said that all members of the press and of the bar have been invited to attend the symposium.

St. Margaret Church Sets Weekend Event

St. Margaret Mary Catholic church will hold its first annual barbecue Saturday and Sunday on the playground at the school, Rev. A. J. Schwellenbach, pastor, announced.

No food will be available Saturday but activities, including games, refreshments and prizes, will be available beginning at 6 p.m. A barbecue dinner will start at 11 a.m. Sunday. Tickets are \$1 for adults and 65 cents for children. Games for children will be held from 2 to 4 p.m., and free entertainment will be provided Sunday afternoon and evening. The Eagle kitchen band is to play in the evening.

GROUNDBREAKING CEREMONY held Monday for the new \$44,172 West Granite fire station along Rock road. Taking part are, left to right—Henry Gabriel and Sylvester Duffell, architects; Wilbur Wachter, former landowner, Alderman Ford Johnson, chairman of the Fire and Water committee; Mayor Davis (with shovel); Robert Dugan, general manager for the contractor, Henry Ross Co.; Assistant Fire Chief Curtis Donley; August Beckman, former landowner, and Chief Elijah King.

Registration Open For Pre-Schoolers

Registration is now open for the Granite City park district's pre-school program for children aged four and five years. Children will be divided into two groups—one meeting from 1 to 3 p.m. Monday and Thursday, the second during the same hours Tuesday and Friday. The classes begin Sept. 28 at the Community Center, 822 Neidringhaus avenue. Parents may register their children by calling the park office, TR 7-3059. Each class will be limited to 40 children.

Johnson Urges Payment Of \$15 Gas Deposits

Cleveland Johnson, president of the Eagle Park Acres Improvement Association is urging residents to make their \$15 natural gas connection deposits by Friday with the Illinois Power Co. office in Granite City.

He said if a majority of the deposits are made this week, the company will be ready to place a gas line in the area starting next Monday.

At a public meeting Saturday night, Johnson said he hoped to have the gas connections completed in time for the winter months.

More Voters Registration Centers Planned in Area

Special centers for registration of voters in the Quad-City area will be in operation this week through arrangements made by the office of Miss Saalala Hotz, Madison county clerk. Similar registration locations were set up at various points throughout the area last week to facilitate registration work which must be completed by Oct. 6.

Registration centers to be operated this week include:
Sept. 18 and 19—Tri-City Grocery, Ballentine Shopping center, noon to 8 p.m.
Sept. 19—Police Firing Range building, 1900 Poplar street, noon to 8 p.m.
Sept. 19—Schermer Bros. Market, 1125 Madison avenue, Madison, noon to 8 p.m.
Sept. 19—Presley Market, Mitchell, noon to 8 p.m.
Sept. 18 and 19—A&G Market, 1085 Pontoon road, Nameoki township, noon to 7 p.m.

Sept. 19—Tri-City Grocery, Broadway, Venice, noon to 6 p.m. and Viola Jones Homes, Venice, 9 a.m. to 5 p.m.

Persons who need to register to be eligible to vote in the Nov. 3 general election may do so at any of the registration centers. Persons who will be 21 years of age by the Nov. 3 election are eligible to register, but to qualify they also must have lived one year in the state, 90 days in the county and 30 days in the precinct. The registration deadline is Oct. 6.

The county clerk's office also is maintaining a list of deputy registrars in the Quad-City area and other sections of the county as a matter of convenience to those who need to register. Deputy registrars and the hours they are on duty include Mrs. Olive Sigite, 2229 Bryan avenue, evenings by appointment; Mrs. Elvira Thurber, 1932 State street, 9 a.m. to 5 p.m. daily, Saturdays 8 a.m. to noon, evenings by appointment; Mrs. Jewell Young, 369 Franklin avenue, Madison, 9 a.m. to 5 p.m. daily.

E. J. Miller, Madison city hall, 9 a.m. to 4:30 p.m. daily; Demos Nicholas, 1548 Fourth street, Madison, 9 a.m. to 5 p.m. daily; Mrs. Lois Weeks, 129 East Chain of Rocks road, Mitchell, 6 p.m. to 8 p.m. daily; Mrs. Florine Mueck, 600 Lincoln avenue, Venice, 9 a.m. to 5 p.m. daily, evenings by appointment.

ASK YOUR ARCHITECT OR BUILDER ABOUT A MEDALLION HOME

When you build or buy be sure it's a Medallion Home

No matter how much you pay for a new home, you can be sure it's a better home if you see the Medallion proudly displayed at the door.

The Medallion is visible proof that the home meets the highest electrical standards. When you move into a Medallion Home you can be sure you won't run into any unwelcome surprises, such as lack of enough electric outlets or the nuisance of blown fuses.

To earn the Medallion, the builder must plan, build and wire the home to specific standards that guarantee the best that electrical living can offer . . . including good lighting and the convenience of modern electric appliances.

Insist on a Medallion Home. From the day you move in until your youngest toddler goes to college, you'll be glad you did.

NEED AIRTIGHT STORAGE FOR HORIZONTAL SILOS

Airtight storage important in any silage structure. A doubly important in horizontal silos with large areas exposed to air.

A trench silo on the farm of O. B. McLean in Ft. Russell township, holds about 160 tons of silage. It is 8 ft. long, 14 ft. wide at the top, 10 ft. at the bottom, with a concrete floor, and the silage is 8 ft. deep. It has given good results for several years. Cattle feed through a gate at one end. The covering is polyethylene, firmly fastened around the edges, tacked to heavy boards, and weighted down with chat on top.

A fine chop and a good job of packing are two important factors in making horizontal silos airtight. A wheel tractor equipped with a scraped blade does a good job of packing and leveling the silage. The material should be packed well along the edges and rounded over the top for good drainage.

A plastic cover will help exclude air and hold surface spilage to a minimum. The edges of the plastic should make a tight seal so that water will drain over the edge of the silo. It is also important to guard against holes in the plastic once it has been put in place. A small hole will reduce the value of the cover considerably.

Concrete floors work best in horizontal silos. However, gravel, corn cobs or other suitable material can be used in an emergency. Slope the floor at least one inch every four feet to provide adequate drainage. Corn usually makes the best silage when the kernels are well denting and the lower leaves have started to turn. Corn that will be put in a horizontal silo should not be allowed to get so dry that it won't pack tightly.

It's possible to self-feed cattle from a horizontal silo that has an adequate floor. However, a good feeder gate is essential to keep losses to a minimum.

HOLSTEIN SALE SEPT. 19

Southern Illinois Breeding Association will sponsor its second invitational Holstein sale on Saturday, Sept. 19.

SIBA members have consigned 33 of their very best young Holsteins to the sale, including many young cows just fresh, several springing heifers, and bred heifers. A few choice grade Holsteins are also included in the consignments.

High production has been the key in selecting the top quality consignments that will be offered. The dams of the consigned animals have a combined milk average of 15,873 pounds milk and 593 pounds butterfat on twice daily milking, made under loose housing conditions in southern Illinois. This production average is tremendous when compared to the average cow in Illinois on DEHA test with 11,129 pounds milk and 431 pounds butterfat.

The sale will feature a consignment from Elmer H. Klenke, Dell Farms herd, New Douglas, which is a milking herd of 105 cows. Klenke consigned his top two-year-old cow, a potential 1000 pound butterfat cow that produced 12,243 milk and 726 fat in 365 days on twice daily milking as a junior two-year old. The sale will be held in conjunction with SIBA's 19th annual member meeting on Sept. 19, at SIBA Headquarters, 31 S. Highway 50, one mile west of

Brees. The annual meeting will begin at 10:15 a.m., and the sale will be held at 12:30 p.m., shortly after the adjournment of the meeting.

NEW PROVISIONS IN 1965 WHEAT PROGRAM

The 1965 wheat program has several new provisions that wheat farmers may want to analyze. Under one new provision, farmers signing up for both the wheat and feed grain programs may substitute wheat for feed grain and receive a premium. Wheat farmers who grow oats or rye may request that an oat-rye base be established for their farms. They may plant wheat in place of oats or rye, or plant oats or rye on wheat or feed grain acreage.

Another change allows wheat farmers who sign up for the program to overplant their 1965 wheat allotment by as much as 50% and store excess production under bond. By storing the excess wheat under bond and fulfilling other program provisions, they will be eligible for marketing certificates and price-support loans.

Overplanting a wheat allotment for 1965 will not affect wheat acreage history in determining future allotments. Under the 1965 program, domestic marketing certificates will be valued at 75 cents a bushel, and export certificates at 30 cents. The certificates were worth 70 cents and 30 cents in 1964. Domestic certificates will be issued on a maximum of 45% of a farm's normal production, and export certificates on 35%.

In the 1964 program, the maximum number of each kind was

based on 45% of normal production.

Provisions for diverting wheat land to conservation uses are similar to those in the 1964 program. The payment rate for voluntarily diverting land will be higher in 1965. But no diversion payment will be made for applying conservation use to the minimum qualifying acreage.

The sign-up period will extend through Oct. 2 at the county ASC office. Meetings to explain the program have been arranged by the county committee to be held at Nameoki and St. Jacob.

CORN SUBSTITUTES

The drought and relative prices of grains bring questions about whether other grains can be substituted for corn.

As a feed for swine and beef cattle, wheat is about equal in value per pound to corn. When self-fed to swine, it doesn't need to be ground. For hand-feeding, it should be only coarsely ground, for both swine and cattle.

Cattle may tire of wheat as the only grain and go off feed. Using a half-wheat mixture with other grains will take care of this problem.

Remember that wheat is about 13% protein compared with 9% for corn. Shrunken wheat may give as good results as wheat of good milling quality.

You must get about 10% higher yields of average sorghum silage per acre to equal good corn silage. Most feeding trials with dairy cattle indicate that the feeding value of sorghum silage is about 90% of that of good corn silage.

MEETING SCHEDULE

Farm families are being invited to a series of evening discussion meetings scheduled during the month by the Madison County Farm Bureau. Various matters of national, state and county interest to farmers are on the programs. The meetings start at 8 p.m. The schedule: Sept. 18—E. & P. Church hall, Highland; Sept. 21—Salem Church hall, Althamra; Sept. 22—Fosterburg Town hall; Sept. 22—St. Jacob Community hall.
